1. Go to GHED database webpage: http://apps.who.int/nha/database/Select/Indicators/en
2. Select PHC Indicators (PHC%CHE and GGHED_PHC%PHC) and Financing Aggregate Indicators (CHE%GDP)

3. Select countries and years

(You do not need to change the units of expenditures if you are selecting percentage indicators.)

4. Click “View data and build report” on the lower left comer.
