27th meeting of the High-level Group for Partnership, Coordination and Capacity-Building for the 2030 Agenda (HLG-PCCB)

London, United Kingdom 27-28 September 2022, Open/ closed meeting

Opening

1. Ms. Awad and Ms. Dhuli (co-chairs) welcomed members and issue partners to the meeting.

Review of the UN World Data Forum (UNWDF) planning

2. Ms. Badiee (Programme Committee co-chair) with support from the secretariat presented the status of the programme. Members had received a file with the shortlisted proposals prior to the meeting. The Committee was still working on narrowing down the proposals a little further from 79 to 70. In parallel, discussions within smaller groups of the committee were ongoing to frame the plenaries and select speakers.

See <u>link to presentation</u> [members wiki access only] for more details.

Action: Members to provide comments on the current shortlist of proposals by Wednesday, 12 October.

- 3. Mr. Mao (China) gave an update on the programme, logistical and communication plans from the host country perspective and explained the setting up of the different preparatory institutions and implementation phases were going well. He wished to welcome all members to Hangzhou in 2023. Members asked about the travel policy in place, and it was explained a 7-day quarantine with 3-day health monitoring was the current policy. Several members expressed concern that such a policy would mean their organisations would not be able to travel to the Forum.
- 4. Ms. French (UN secretariat) gave an update on the communication plans from the secretariat perspective including a new communications strategy, a recently relaunched Call for Blogs and more publicity around different social media channels (@UNdataforum, #UNdataforum)

Updates on initiatives related to the financing of data and statistics

5. The UN secretariat, PARIS21 and the World Bank gave an update on their continued collaboration on improving financing for sustainable development data. Claire Melamed (Global Partnership for Sustainable Development Data) gave a summary of recent events they had conducted with the Office of the Secretary General during the General Assembly week on data financing and the <u>investment case</u> for data. Johannes Jutting and Francois Fonteneau (PARIS21) reported on the continued progress of the <u>Bern Network</u> and the <u>Clearinghouse for financing sustainable development data</u>. Craig Hammer (World Bank) gave a presentation on the latest developments regarding the Global Data Facility.

Cape Town Global Action Plan (CTGAP) revision subgroup: update and group exercise

- 6. Mr. Rutherford (secretariat) reminded members of the <u>background to the Cape Town</u> <u>Global Action Plan and the status of review</u> which has started in 2021. Following the presentations reactions were taken in plenary through a tour de table before the inperson attendees were placed into three groups to discuss two overarching questions: what new national/regional priorities should be integrated in an updated CTGAP; and how can a global plan be meaningful for a national/regional context.
- 7. The plenary reaction and group work resulted in three main conclusions:
 - The global plan needed a more assertive communication strategy to communicate a set of simple and realistic ambitions linked to more detailed plans at the regional and national level.
 - The global plan needed to be outward looking to promote better partnerships, coordination, and capacity development efforts with data users and other data producers/ custodians, including more focus on the local and linked to the current policy context.
 - The global plan should continue to be supported by periodic monitoring and evaluation of progress and lessons learnt assessment.

Action: The secretariat will take these conclusions and the more detailed inputs collected from participants to provide a new strategy for taking forward the revision of the Cape Town Global Action Plan, including its consultation and possible side event during 54th UN Statistical Commission and announcement at the 4th UN World Data Forum.

Presentations given by the hosts

8. There were two presentations given during the lunch time periods Ms. Watkins presented on the <u>International Data Science Accelerator Programme</u> and Mr. Bolton on the <u>Inclusive Data Charter</u>.

Closed meeting

- 9. The co-chairs led members through a discussion of different topics concerning the working arrangements of the group. In summary, members agreed:
- Following the adoption of a revised <u>Terms of Reference</u> during the 53rd UN Statistical Commission, the co-chairs would write an official communication to the regional commissions regarding countries whose representatives had not attended the last three meetings (25th 27th meetings).
- Members agreed to maintain the <u>list of standing issue partners</u> agreed at the 24th meeting and extend the list with representatives from the Centro de Pensamiento Estratégico Internacional (Cepei), the Inter-American Development Bank (IDB), Norwegian Agency for Development Cooperation (Norad), the Swedish International Development Cooperation Agency (Sida), the Swiss Agency for Development and Cooperation (SDC) and the UK Foreign, Commonwealth and Development Office (FCDO). Members recommended reviewing this list in detail every 2-years.
- The workplan for 2022 was reviewed and its two main outputs; the preparation of the next UN World Data Forum and revision of the Cape Town Global Action would continue into the 2023 work plan. The draft report of the group for the 54th UN Statistical Commission would be shared following the meeting for member's comments. The deadline for its submission for editorial and translation is early November.

Future event and meeting plans:

10. The following calendar of high-level meetings related to data and statistics was discussed during the meeting;

Dates	Event	Location
9 – 10 Nov	PARIS21 Board meeting	Paris, France
2022		
7 – 9 Nov	13 th meeting of the Inter-agency and Expert Group	Bangkok, Thailand
2022	on Sustainable Development Goal Indicators (IAEG-	
	SDGs)	
7 – 11 Nov	7 th International Conference on Big Data and Data	Yogyakarta, Indonesia
2022	Science for Official Statistics	

Dates	Event	Location
28 Nov – 2	Internet Governance Forum (IGF) 2022	Addis Ababa, Ethiopia
Dec 2022		
4 – 6 Apr	17 th International Association for Official Statistics	Luanda, Zambia
2023	Conference (IAOS-ISI)	
28 Feb – 3	54 th session of the UN Statistical Commission	New York, USA
Mar 2023		
24 – 27 Apr	4 th UN World Data Forum ¹	Hangzhou, China
2023		
16 – 20 Jul	64 th ISI World Statistics Congress	Ottawa, Canada
2023		
7 – 9 Nov	2023 Festival de Datos	Punta del Este,
2023		Uruguay

Any other business & closing

11. Next virtual meeting is planned for Thursday, 15 December 2022

_

 $^{^{1}}$ To be confirmed based on the discussions of the next HLG-PCCB meeting to be held virtually on Thursday, 15th December.

Annex 1: Agenda

Twenty-seventh meeting of the High-level Group for Partnership, Coordination and Capacity Building for Statistics for the 2030 Agenda for Sustainable Development (HLG-PCCB)

27 - 28 September 2022, 9:30am – 17:00pm Church House, Westminster, London, United Kingdom

Open meeting

	DAY 1 - OPEN MEETING				
	Agenda item (all times are local BST, GMT+1) Item type ² / format				
09:30 – 10:00am	Opening and introductions (photo opportunity)				
10:00 – 11:00am	Review of the UN World Data Forum (UNWDF) planning	For discussion (virtual			
	a. Programme, including proposal shortlistb. Communications strategy and implementation	connection)			
11:00 – 11:20am	Break				
11:20 – 11:50am	Review of the UNWDF planning (continued) c. Logistics update	For information (virtual connection)			
11:50 – 12:30pm	Updates on initiatives related to the financing of data and statistics	For information (virtual connection)			
12:30 – 14:30pm	Lunch (including 30 min presentation from UK hosts)				
14:30 – 15:30pm	CTGAP revision subgroup: update and scene setting for group activity - facilitated by the Statistics Division and PARIS21	For discussion (virtual connection)			
15:30 – 15:50pm	Break				
15:50 – 17:00pm	 Group activity on CTGAP revision - facilitated by the Statistics Division and PARIS21 (continued) 	For discussion (in-person only)			
	DAY 2 - CLOSED MEETING				
	Agenda item (all times are local BST, GMT+1)	Item type			
09:30 – 09:40am	Opening of closed meeting				

² Where relevant, item type text will contain a link to the wiki with the document for discussion or information.

09:40 – 11:00am	 2. Functions and working modalities a. Representation on the group b. Representation in other advisory bodies c. Issue partners d. 54th UN Stat Commission: activities in 2021 – 22 and work plan 2022 – 23 	For discussion (virtual connection)
11:00 – 11:20am	Break	
11:20 – 12:30pm	3. CTGAP revision subgroup: summary/ conclusions from Day 1 group exercise - facilitated by the Statistics Division and PARIS21	For discussion (virtual connection)
12:30 – 14:30pm	Lunch (including 30 min presentation from UK hosts)	
14:30 – 15:00pm	Plans for the Data Festival and other events in 2022-23	For information (in-person only)
15:00 – 15:30pm	Tour	(in-person only)
15:30 – 15:50pm	Break	
15:50 – 17:00pm	5. Any other business and summary/conclusions	(in-person only)
