

**Inter-agency and Expert Group on SDG Indicators (IAEG-SDGs)**

**Fifth meeting, 28 – 31 March 2017, Ottawa, Canada**

**Tentative agenda**

**Plenary session, 30 – 31 March 2017**

*(as of 8 February 2017)*

1. Opening
2. Update on the outcomes of the 48<sup>th</sup> session of the United Nations Statistical Commission, including decisions related to the IAEG-SDGs
3. Update on the outcome of the first United Nations World Data Forum and High-Level Group for Partnership, Coordination and Capacity-building for statistics for the 2030 Agenda for Sustainable Development
4. Update on the work of the three working groups of the IAEG-SDGs: SDMX, Geo-spatial information and interlinkages
5. Presentation of updated Tier classification:
  - Review of selected indicators for possible tier re-classification
  - Assign tier classification for any refined indicators agreed upon at the 48<sup>th</sup> Statistical Commission
6. Discuss the role of custodian agencies:
  - Review all indicators that currently do not have a custodian agency and discuss a strategy for moving forward with these indicators
  - Discuss the indicators that have multiple custodian agencies and their roles
7. Review Tier III work plans and proposals for new concepts and definitions and discuss a mechanism to ensure the completion of work as planned
8. Data Disaggregation
  - Present the work plan on data disaggregation
  - Discuss the harmonization of categories for data disaggregation for the global indicators
  - Review the indicators based on the data disaggregation categories
9. Present time line for the preparation of a proposal on possible additional indicators to be presented to the 49<sup>th</sup> session of the Statistical Commission
10. Work plan and next steps
