

ACC SUBCOMMITTEE ON STATISTICAL ACTIVITIES
Thirty-third session
Madrid, 14-16 September 1999
Item 1 of the provisional agenda

SA/1999/1/Add.1
29 July 1999

PROPOSED SCHEDULE OF DISCUSSION

1. At its meeting on 18 June 1998 the Bureau "considered that in future more provision should be made for bilateral and multilateral contacts outside the formal sessions, for example, by setting aside a half day for that purpose while still completing the session in 2½ days." (SA/1999/2, para 1(d)). The proposed schedule reflects this consideration.

2. The Bureau also thought it would be desirable to provide for more socialization at the time of the session, for example, by organizing a shared-cost dinner or cocktail one evening (SA/1999/2, para 1(d)). The Secretariat proposes a shared-cost dinner on Wednesday evening 15 September 1999.
