

PROVISIONAL AGENDA

1. Adoption of the agenda and other organizational matters  
(Documentation: provisional agenda, list of documentation and tentative schedule of discussion)
2. Strengthening international statistical cooperation
  - (a) The review of the global statistical system and the evolving role of the statistical service in international organizations  
(Documentation: draft of the report prepared by the United Nations Statistical Office on the global statistical system; oral reports from international organizations on the role and function of their statistical services in those organizations, including their role and relationships within the international statistical community)
  - (b) Policies and practices in the international organizations concerning adjusting nationally supplied data  
(Documentation: report of GATT on the treatment of adjustments in international trade statistics; observations on the GATT report and the issues in general by interested organizations; relevant part of the report of the United Nations Statistical Office on the review of the global statistical system; report by EUROSTAT addressing statistical implications of the Single Market of the EEC)
3. Statistical implications of developments in transition countries  
(Documentation: report of the Inter-Secretariat Group of international organizations on statistical cooperation with Eastern and Central European countries; oral reports on statistical priorities in the transition countries and adaptation of international standards for transition countries)
4. Revision of the System of National Accounts (SNA)  
(Documentation: oral report of the Inter-Secretariat Working Group on National Accounts)

5. Coordination of technical cooperation in statistics
  - (a) Coordination issues involved in strategies for statistical development in Africa  
(Documentation: reports of the Economic Commission for Africa (ECA) and other interested agencies)
  - (b) Implications for technical cooperation in statistics of changes in United Nations Development Programme (UNDP) and United Nations Population Fund (UNFPA) policies relating to project execution and agency support costs  
(Documentation: reports from organizations)
  - (c) Other matters, including the UNFPA Technical Support Services System  
(Documentation: discussion on important issues as necessary)
6. Human development issues
  - (a) UNDP Human Development Report  
(Documentation: oral report prepared by UNDP)
  - (b) Other matters including monitoring achievement of social goals  
(Documentation: discussion on important issues as necessary)
7. Coordination of ongoing statistical programmes  
(Documentation: discussion on important issues as necessary including the International Comparison Programme and procedures for adopting joint international statistical standards among two or more agencies)
8. Base year for international statistics  
(Documentation: report of GATT on rebasing external trade indexes; oral reports from interested organizations)
9. Preparation for the twenty-seventh session (1993) of the Statistical Commission  
(Documentation: oral reports)
10. Other business
11. Adoption of the report of the Sub-Committee on its twenty-sixth session
