ESA/STAT/AC.233/2	Proposals for Principles and Recommendations for a Vital Statistics System, Rev. 3 - Chapter I: Definition and Uses of Vital Statistics, United Nations Statistics Division
ESA/STAT/AC.233/23	The uses of vital statistics in the work of the United Nations Population Division, United Nations Population Division

**1-3. The vital statistics system**

ESA/STAT/AC.233/3	Proposals for Principles and Recommendations for a Vital Statistics System, Rev. 3 - Chapter II: the Vital Statistics System, United Nations Statistics Division
-------------------	--

**1-4. Sources of vital statistics**

ESA/STAT/AC.233/4	Sources of Vital Statistics in Ethiopia, Ethiopia
ESA/STAT/AC.233/5	Sources of Vital Statistics, Mexico

**1-5. Civil registration system**

ESA/STAT/AC.233/6 The Civil Registration System in Ghana, Ghana

ESA/STAT/AC.233/7 Civil Registration System, AfDB and ECA

#### **1-6. Population register as source of vital statistics**

ESA/STAT/AC.233/9 The Population Register as a source of Vital Statistics, United Kingdom

#### **1-7. Use of health services records for vital statistics**

ESA/STAT/AC.233/10 Using health care service administrative data to improve national vital statistics: Thailand experiences, Thailand

ESA/STAT/AC.233/11 The Contribution of the Health Sector to Civil Registration and Vital statistics Systems: Uses of Records from Health Services, WHO

#### **1-8. Other administrative records for vital statistics**

ESA/STAT/AC.233/12 Other Administrative Records for Vital Statistics - the Indian Experience, India

ESA/STAT/AC.233/13 Other Administrative Records for Vital Statistics - The Jamaican Experience, Jamaica

#### **1-9. Population censuses and sample surveys**

ESA/STAT/AC.233/8 Because Everyone Counts, everyone should be counted— Elusive Population, Gender-based Violence, and Maternal Death, “Counting those who should be counted”, Oman

ESA/STAT/AC.233/14 Population Censuses and Surveys, Hungary

ESA/STAT/AC.233/15 Use of population censuses and household sample surveys for vital statistics in South Africa, South Africa

#### **1-10. Strategies for improving civil registration and vital statistics systems**

ESA/STAT/AC.233/16 Strategies for Improving Civil Registration and Vital Statistics Systems: The Canadian Experience, Canada

ESA/STAT/AC.233/17 Strategies for Improvement of Civil Registration and Vital Statistics, ECA

#### **1-11. Computerization**

ESA/STAT/AC.233/18 How Can Vital Statistics Remain Vital for Measuring Health Status in the U.S.?, United States

#### **1-12. Evaluating the quality of civil registration information and register-based vital statistics**

ESA/STAT/AC.233/19 Evaluating the quality of vital statistics: paper for discussion, Australia

ESA/STAT/AC.233/20 The Vital Statistics System in China, China

## **2. Round table discussion – international and regional initiatives**

### **3. Improving the collection and dissemination of vital statistics through the Demographic Yearbook**

ESA/STAT/AC.233/21

Collection, compilation and dissemination of official vital statistics at the international level, United Nations Statistics Division

#### **BACKGROUND DOCUMENTS**

- Principles and Recommendations for a Vital Statistics System, Rev.2
- Concept Note to the Revision of the Principles and Recommendations for a Vital Statistics System, Rev.2 (ESA/STAT/AC.233/40)
- A summary of the responses from national statistical offices and international and regional organizations to the UNSD's proposal to revise the Principles and Recommendations for a Vital Statistics, Rev. 2 (ESA/STAT/AC.233/41)
