#### Relevant documents

Before submitting responses you are encouraged to read the accompanying papers available on the website.

*Revision of the SEEA: Draft Version for Second Round of Global Consultation, October 2011 – Chapters 1 – 6*

*Reading guide for the SEEA Revision Second Round of Global Consultation*

*Supporting material for selected classifications and lists in the revised SEEA*

**Part I: General comments**

This is the first global consultation based on the complete set of chapters for the SEEA Central Framework. In this section please provide general comments on the drafts chapters. You may like to consider providing comments on the style and tone, the content and coverage, and the general accessibility of the material.

INE Spain supports the output from the revision of the SEEA manual and congratulates for the excellent work done . Our intention has been to follow up the different stages of the revision process, as far as our expert resources made it possible.. INE will continue working at the development of the environmental accounts in Spain, within the the context of EU Regulation on EA , making the most practical use of SEEA manuals .

**Part II: Technical and other comments**

In the box below please supply any additional comments including those of a more technical nature. As this is the first consultation where the complete 6 chapters have been released, comments on the consistency of the technical content across the chapters would be appreciated.

Please reference your responses with the relevant paragraph number or section number.
