Item 9 (e) of the provisional agenda*

**National standardization: toponymic guidelines
for map editors and other editors****Toponymic guidelines for international use by map and
other editors****Submitted by Denmark******Summary*****

The second edition of the toponymic guidelines of Denmark comply with the plan set out in the *Technical reference Manual for the National Standardization of Geographical Names*.¹

The new administrative structure should be noted.

Hopefully, there will be more elaborate appendices for Greenland and the Faeroe Islands in the next revised edition.

* E/CONF.98/1.
