Draft Guidelines on
Integrated Economic
Statistics**

Comment Form

Draft Guidelines on Integrated Economic Statistics

Send responses to: sna@un.org
Deadline: 10 January 2011

Your name:	
Your country/organization:	Central Agency for Public Mobilization and Statistics (CAPMAS)
Contact (e.g. email address):	Pres_capmas@capmas.gov.eg

To submit responses please save the completed form and send it as an attachment to the following e-mail address: sna@un.org by Monday, 10 January 2011. You are encouraged to submit a short response to the questions (yes/no/no comment) even if you have no further comments to offer in the comment boxes. Please focus your comments on substantive issues since a final edit of the Guidelines will be conducted after the February 2011 Statistical Commission meeting.

Relevant documents

The draft publication is available on the global consultation website:

Questions

1. Do you agree that the *Guidelines* covers well the practical aspects and experiences of the integration of economic statistics?

Yes No No comment

Comment:

Because it introduces practical case studies related to all aspects of compilation of integrated economic statistics explaining the benefits of achieving this integration.

2. Do you consider that the *Guidelines* takes due note of the difficulties faced by countries in the integrated collection, compilation and dissemination of economic statistics?

Yes _____ No _____ No comment _____

Comment:

- The Guidelines show that the integration of economic statistics depends upon legal, institutional, organizational and statistical conditions that differ widely across countries and the countries with different condition should adopt national frameworks for statistical integration suitable for their individual circumstances.
- The Guidelines provide general guiding principles of integrated economic statistics (common concepts, definitions and classifications).

3. Were there any aspects of integration which you feel have not been sufficiently well-covered?

Yes _____ No _____ No comment _____

Comment:

All aspects of integrated economic statistics have been sufficiently covered with practical case studies.

4. Do you find the case studies useful and practical?

Yes _____ No _____ No comment _____

Comment:

Because it introduces examples about the experiences of some countries in the compilation of integrated economic statistics.

5. Would you like to make or seek any specific elaborations in Chapter 1 to Chapter 7 or in the Annexes?

Yes _____ No _____ No comment _____
