

Bringing Information to the World

United Nations Data Services

- 60 years of data collection and dissemination
- Custodian of official statistics for member states
- Collaborate with 200 national statistical systems
- Enhance availability and visibility of official country statistics on a global basis
- Promote accessibility, searchability and open access of data

Bringing information to the world

- Make UN databases freely available
- Organize international databases to allow searchability and open access
- Promote national data dissemination
- Build a global data dissemination infrastructure

Bringing information to the world

The screenshot shows the UNdata website interface. At the top is the UNdata logo with the tagline 'A world of information'. Below the logo are navigation tabs for 'Data', 'Glossary', and 'Tools'. A search bar is present with a 'Search' button. To the left of the search bar is a list of categories: Key indicators, Trade, Energy, Agriculture, Industry, Labor statistics, MDG, Population, SNA Yearbook, SNA - Main aggregates, Education, and Tourism. To the right are two boxes: 'Popular searches' listing 'GDP 2005', 'Japan population', 'Education MDG', and 'Italy'; and 'Comments' listing '11 new data marts online', 'Japan's GDP series', and 'Education indicators'. At the bottom, it states 'Searching over 50 Million records across 11 data marts' and displays various international organization logos.

Available data marts

United Nations Statistics Division

- ComTrade
- Energy Statistics
- Industrial Commodity Statistics
- Key indicators
- Millennium Development Goals

- Education Statistics (UNESCO)
- Labour Statistics (ILO)

Bringing information to the world

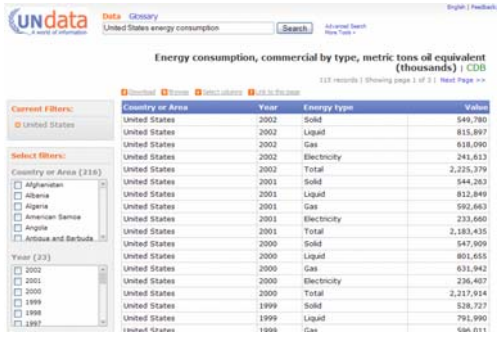

The screenshot shows search results for 'United States' on the UNdata website. The search bar at the top shows 'United States' and 'English Feedback'. The results section is titled 'Results 1 - 20 of 1,999 found for United States. (9/5 seconds)'. It features a map of the United States and a table of key statistics:

| | |
|------------------------------------|-------------------------|
| Region | Northern America |
| Largest urban agglom. (pop., 000s) | New York-Newark (18718) |
| Currency | dollar |
| Population in 2006 (prog., 000s) | 301029 |
| Surface area (square kms) | 962991 |
| Population density (per square km) | 31 |
| United Nations membership date | 24 October 1945 |

Below the table are sections for 'Select filters' (Data Marts: 19, CDB: 232, Energy: 627, Industry: 117, MDG: 79, Pop: 7), 'Results sorted by record count', and 'Sort alphabetically'. There are also 'Related links' for FedStats, National Statistics Online, and National Center for Health Statistics.
