Subject: Comments on Volume 1 of the updated 1993 SNA

Dear Mr. Ivo Havinga,

this is to inform you that we do not have substantial comments to methodological issues and texts included in Volume 1 of the updated System of National Accounts.

A remark concerning the title of the updated System of National Accounts (there was such a question in the UNSD letter to countries) - we would prefer the second option - 2008 SNA.

With best regards,

Ms Dace Tomase
