Dear Mr. Smith,

Thank you for the opportunity to comment on the draft of volume 2 of the 2008 SNA. Such a major international statistical standard takes a great deal of effort to compile and publish and it is with sincere appreciation that I commend all of the hard work that has gone into creating this volume.

I hope the deliberations at the Statistical Commission go well and I look forward to having both volumes completed and moving on to implementation.

Sincerely,

Karen Wilson
