United Nations Foundation

WEDNESDAY, 9 MARCH, 2016

1:15–2:30 PM • UN CONFERENCE ROOM 8

A LIGHT LUNCH WILL BE AVAILABLE FROM 12:45

Around the world today, many countries are not able to track important information about people's health. This launch event will provide an overview of the Health Data Collaborative's work to support country-led health data systems, build national statistical capacity, improve the quality of health data, and track progress toward the health-related Sustainable Development Goals.
