BETTER STATISTICS FOR BETTER LIVES

The 16th edition of the International Association for Official Statistics Conference will take place in Paris on 19-21 September 2018. With the aim of promoting official statistics, IAOS will jointly organise this conference edition with the Organisation for Economic Co-operation and Development (OECD). Together, both organisations decided the main theme for the upcoming conference to be **Better Statistics for Better Lives**. This theme will serve as an umbrella to discuss the most pressing problems regarding the production, use, and dissemination of official statistics.
