

# Economic and Social Council

Distr.: General  
30 January 2014

Original: English

---

## Statistical Commission

### Forty-fifth session

4-7 March 2014

Item 3 (i) of the provisional agenda\*

**Items for discussion and decision: disability statistics**

## Report of the Washington Group on Disability Statistics

### Note by the Secretary-General

#### Corrigendum

#### Paragraph 1

The first sentence *should read*

At the International Seminar on the Measurement of Disability, held in New York from 4 to 6 June 2001, it was recommended that principles and standard forms for indicators of disability be developed for use in censuses.
