### Tenth United Nations Conference on the Standardization of Geographical Names

New York, 31 July-9 August 2012

Item 8 (b) of the provisional agenda\*

**National standardization: office treatment of names**

### Relaunch of Austrian topographical maps

#### Summary\*\*

The Austrian Federal Office of Metrology and Surveying and the Austrian Institute of Military Geographical Data have decided to cooperate for the edition of topographical maps, specifically to create a new version of the 1:50,000 map of Austria, the first sheet of which was published in July 2011, and to create a 1:250,000 map, which includes 12 map sheets and replaces the former 1:200,000 map.
