Old testament	Long pre-mod																																																																																																																												
	Internat (top																																																																																																																												
	before 1983)																																																																																																																												
Names from history	Short-premod-																																																																																																																												
and culture	dern internat.																																																																																																																												
	Scandi-																																																																																																																												
	(top before '83)																																																																																																																												
	Pre-modern																																																																																																																												
	Dutch (top																																																																																																																												
	Before 1983)																																																																																																																												
Traditional Dutch	Short modern																																																																																																																												
names in full or	Dutch																																																																																																																												
shortened versions	Traditional																																																																																																																												
(top before 1950)	Dutch																																																																																																																												
	Friskian																																																																																																																												

Forenames or given names are subject to trends: one year parents may name their children after football stars or after successful politicians, and the other year they may prefer more traditional names. The illustration at left shows e.g. that before 1950 in the Netherlands traditional Dutch names were given, in either full or shortened versions, like Johannes/Jan.
