

United Nations Statistical Commission

Fifty-fourth session

Item 5 (c) of the provisional agenda

Items for discussion and decision: International Comparison Programme

Document E/CN.3/2023/25 – Report of the World Bank on the International Comparison Programme

<i>Statement provided by:</i> International Monetary Fund	
<i>Statement:</i> We reiterate our continued financial support for the program and willingness to explore innovations in technology and data sources to support the development of the statistics. The IMF recognizes progress made and challenges faced and encourages national, regional, and global agencies to continue making every effort to meet the agreed timetable for the ICP 2021 cycle.

United Nations Statistical Commission

Fifty-fourth session

Item 5 (e) of the provisional agenda

Items for discussion and decision: Environment Statistics

Document E/CN.3/2023/27 – Report of the Secretary General

<i>Statement provided by:</i> International Monetary Fund	
<i>Statement:</i> The IMF welcomes the work on environmental statistics. We look forward to promoting work on environmental statistics through the recently launched G20 Data Gap Initiatives (DGI). The DGI aims to assist G20 and participating economies develop sustainable finance, greenhouse gas emissions statistics, energy statistics and environmental expenditure related statistics.
