Tenth United Nations Conference on the Standardization of Geographical Names

New York, 31 July-9 August 2012

Item 8 (a) of the provisional agenda*

National standardization: field collection of names

Guidelines for the collection of names of natural geographical features

Submitted by Indonesia**

Summary***

The Indonesian national authority for geographical names has divided the collection of geographical names into five stages, with the names of natural geographical features to be collected between 2012 and 2014. The paper presents guidelines on that subject to be followed in the field by the local committee for the standardization of geographical names.

* E/CONF.101/1.

** Prepared by the secretariat of the national team for the standardization of geographical names.
