Lists of country names by national and other authorities

Submitted by the UNGEGN Working Group on Country Names

—

Some country names used by national authorities are different from those used by UNGEGN, the local authorities, or by the United Nations Terminology and Reference Section. The Internet addresses below link to lists of names of countries and other geo-political entities that were provided by national authorities or other organizations.

The Internet links below are provided for informational purposes only. The designations employed and the presentation of the material in them do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations nor UNGEGN concerning the legal status of any country, territory, city or area, or of its authorities.
