Tenth United Nations Conference on the Standardization of Geographical Names

New York, 31 July-9 August 2012

Item 5 of the provisional agenda*

Reports on the work of the United Nations Group of Experts on Geographical Names, its divisions, working groups and task teams since the Ninth Conference

Report of the Baltic division of the United Nations Group of Experts on Geographical Names

Summary**

The report covers the period since the Ninth United Nations Conference on the Standardization of Geographical Names (2007). Four countries — Estonia, Latvia, Lithuania and the Russian Federation — were members of the Baltic division of the United Nations Group of Experts on Geographical Names. During the period, five meetings were held in member countries of the division, in conjunction with sessions of the Group of Experts or United Nations conferences. Estonia coordinated the activities of the division.

* E/CONF.101/1.

** The full report was prepared by Aule Kikas (Chair of the Baltic division) and Peeter Päll in collaboration with divisional members and is available in the language of submission only from <http://unstats.un.org/unsd/geoinfo/UNGEGN/ungegnConf10.html>.
