Basil
Herb

Basil UK; US, also called great basil or Saint-Joseph's-wort, is a culinary herb of the family Lamiaceae. The name "basil" comes from Latin, Basilius, and Greek βασιλικόν φυτόν, "royal/kingly plant". [Wikipedia](#)

Scientific name: *Ocimum basilicum*

Did you know: Two classic uses for basil are pesto and a mozzarella salad. [apinchof.com](#)
