## NOTE ON BIG DATA WEEK ORGANIZATION

### Promotional materials

We have ordered 350 bags and 700 pens, which we intend to ship to UNDP Rwanda by diplomatic pouch. GOPA and Azavea are sharing the cost. See print of bags and pens in Annex below.

### Banner

The design for the banner will look very much like the design on the Bags without Azavea and GOPA, but with the logo of the African Development Bank.

### Booths

Interest is shown by the following institutes:

1. GOPA
2. Azavea
3. Nielsen
4. NISR
5. Open SDG Rwanda
6. National Bank of Rwanda
7. African Development Bank
8. ONS Data Science Campus
9. UN Global Platform

### **Simultaneous interpretation**

AfDB and NISR are coordinating the acquisition of the translation services. The main conference hall in NISR Training Center has a booth for the translators, and the translation service will bring 300 headsets and the accompanying audiovisual equipment.

### **Audio-visual equipment for workshops**

Gavin is in touch with the workshop leads on their requirements for audio-visual equipment, and Gavin will check with Jean-Claude if those requests can be met.
