

8th International
Conference on
BIG DATA
& Data Science for Official Statistics

BILBAO 2024

Informing Climate Change and
Sustainable Development Policies
with Integrated Data

BILBAO. SPAIN | **10-14 JUNE 2024** | **#UNBigData2024**

How the UN Regional and Global Hubs support climate change statistics, biodiversity, and sustainable tourism

Moderators

Ceri Regan & Ralf Becker

Questions to be answered

- How are the Regional Hubs and Global Hubs supporting research around the themes of the discussion?
 - Who is collaborating with who, and how are they making it a success?
 - How do we support each other; work together better to deliver better outcomes?
 - How building capabilities regionally or globally?
 - What are the challenges to overcome?
- Some elements will be discussed further in workshops planned for Thu and Fri
