

Thematic Conference for the Pacific island Region

**Managing a statistical organization in times of change**

Nadi, Fiji

24 - 26 June, 2024

TUVALU CENTRAL STATISTICS DIVISION

# CHALLENGES

Challenges in producing statistics to meet the needs of users

1. Staff
  - a. Number of staff
  - b. Staff capacity
  - c. Staff turnover
2. Support from government
  - a. Finance
  - b. Expanding the division
3. Quality and completeness of collected data
4. Coordinating collection activities
5. Stakeholders engagement

# Strategies adopted to address some of these challenges

1. Reproducible Analytical Pipeline (R Studio) - Mentorship
  - a. Started with import and export
  - b. Apply what we learn to other areas - arrival and departure
2. Two-hour knowledge sharing sessions once a week
  - a. Share what we learn from workshops/conferences/mentorships
3. Data dissemination using dashboards on website
  - a. Increase visibility for CSD
4. Statistical Population Register
  - a. Enable integration of administrative, census, and survey data
  - b. Resident enumerators
5. Data dissemination workshops

# What's next

1. Review NSDS and legislation
2. NSS stakeholders discussions
3. Reorganise
4. Add staff
