

Workshop on the Production of Statistics on Asset Ownership from a Gender Perspective through Household Surveys

United Nations Statistics Division

Santiago, Chile, 7 - 9 August 2018

Venue: ECLAC Headquarters, Celso Furtado Conference Room

Time	Session
Day 1: Tuesday , 7 August 2018	
8:30 – 9:00	Registration
9:00 – 9:30	<p>Opening remarks</p> <ul style="list-style-type: none"> • Mr. Pascual Gerstenfeld, Director of ECLAC’s Statistics Division • Ms. Yumiko Kamiya, UNSD
9:30 – 10:45	<p>1. UN Methodological Guidelines on the Production of Statistics on Asset Ownership from a Gender Perspective: an overview</p> <p>Chair: Yonca Gurbuzer (FAO)</p> <p>ECLAC (TBC): presents an overview of gender statistics and SDGs in Latin America and the Caribbean</p> <p><i>UNSD (Yumiko Kamiya): provides an overview of the EDGE project and introduces the UN Methodological Guidelines on the Production of Statistics on Asset Ownership from a Gender Perspective including the objectives, targeted audience and the structure of the Guidelines.</i></p> <p><i>GEOSTAT (Tengiz Tsekvava): presents the key results of the pilot study in Georgia, Mongolia and the Phillippines.</i></p> <p><i>Discussion</i></p>
10:45 – 11:00	Coffee break
11:00 – 12:30	<p>2. Defining and analysing ownership of assets</p> <p>Chair : Tengiz Tsekvava(GEOSTAT)</p> <p><i>UNSD (Zhiyuan Qian): introduces the list of priority and additional assets for the measurement of asset ownership from a gender perspective as well as their definitions</i></p>

	<p><i>UNSD (Yumiko Kamiya): provides an overview of (a) different types of ownership/rights that are important from a gender perspective; (b) the importance of joint and exclusive ownership; and (c) how assets are acquired and its implication for gender equality.</i></p> <p><i>UNSD (Irene Toma): Review of legal frameworks regulating ownership rights/ marital regimes and additional qualitative assessments, needed at the country level (all countries to discuss ownership rights/ marital regimes)</i></p> <p><i>Costa Rica: presents on overview of the legislative and regulatory framework on the ownership of housing, land and other assets.</i></p> <p><i>Discussion</i></p>
12:30 – 13:30	Lunch break
13:30 – 14:00	<p>3. Whom to interview</p> <p>Chair: Zhiyuan Qian (UNSD)</p> <p><i>UNSD (Irene Toma): covers the respondent rules for collecting data on asset ownership at the individual level. The session will discuss why self-reporting, instead of proxy reporting, is recommended for EDGE methodology and what this entails for the overall data collection such as the selection of respondents</i></p> <p><i>Discussion</i></p>
14:00 – 15:30	<p>4. Responding to data users needs</p> <p>Chair: Irene Toma (UNSD)</p> <p><i>UNSD (Zhiyuan Qian): presents the EDGE recommended global and national indicators measuring asset ownership from a gender perspective. Touch on the intra-household analysis with the use of examples.</i></p> <p><i>Columbia, Argentina and Chile: present general information about household surveys, their structure, and indicators.</i></p> <p><i>Discussion</i></p>
15:30 – 15:45	Coffee break
15:45 – 17:30	<p>Group discussion 1:</p> <p><i>Participants will split into groups and discuss a set of questions around the following topics:</i></p> <ul style="list-style-type: none"> • <i>Asset ownership –priority and additional assets</i> • <i>Bundle of ownership rights</i> • <i>Financial Assets;</i> <p style="margin-left: 40px;"> <i>a. Introduction to the group discussion</i> <i>b. Group discussion and agreement</i> <i>c. Reporting of groups in plenary</i> </p>

	<i>Discussion</i>
Day 2: Wednesday, 8 August 2018	
9:00 – 10:15	<p>5. Valuing assets</p> <p>Chair: Yonca Gurbuzer (FAO)</p> <p><i>GEOSTAT (Tengiz Tsekvava): (a) the importance of valuing assets in assessing gender difference in asset ownership; (b) which asset should be valued, from whom? (c) evaluation method; and (b) broad challenges in valuing assets. Supplement with Georgia experience in valuing assets including sensitivity of collecting the data, the training required of enumerators to solicit sensitive information, the quality of data obtained, and whether external sources exist within the country to validate or supplement the data obtained.</i></p> <p><i>Mexico: presents on the key results of the EDGE pilot survey</i></p> <p><i>Ecuador: presents about the collection of data on asset ownership and the methods used to value assets</i></p> <p><i>Discussion</i></p>
10:15 – 10:30	Coffee break
10:30 – 11:30	<p>6. Data sources</p> <p>Chair: Zhiyuan Qian (UNSD)</p> <p><i>FAO (Yonca Gurbuzer) and UNSD (Irene Toma): introduces different data sources (household surveys, population censuses and administrative data) their advantage and limitations to collect data on asset ownership from a gender perspective.</i></p> <p><i>Peru and Brazil: present its experience in collecting asset ownership data at the individual level</i></p> <p><i>Discussion</i></p>
11:30 – 12:15	DSA Payment
12:15 – 13:15	Lunch
13:15 – 14:00	<p>7. Data collection strategies and questionnaire design</p> <p>Chair: Irene Toma (UNSD)</p> <p><i>UNSD (Yumiko Kamiya): discusses different data collection strategies including appending minimum set of questions, a module or a stand-alone survey; questionnaire components for measuring asset ownership from a gender perspective; how questionnaire design varies by data collection strategy</i></p> <p><i>Discussion</i></p>

14:00 – 15:00	<p>8. Sample Design</p> <p>Chair: Zhiyuan Qian (UNSD)</p> <p><i>GEOSTAT (Tengiz Tsekvava): covers sampling issues specific to EDGE and discusses in detail how within-household selection could be done to sample individual respondent. Issues to be covered: (a) what is covered by the Guidelines; (b) EDGE-relevant dimensions such as relevant population subgroups and the use of special stratification strategies; (c) considerations in selecting individual within household; (d) the online sample size calculation tool. Supplement with the Georgia experience.</i></p> <p><i>Discussion</i></p>
15:15 – 15:30	<p>Coffee break</p>
15:30 – 16:30	<p>9. Key aspects of field-operation and interview protocol/data processing</p> <p>Chair: Yumiko Kamiya (UNSD)</p> <p><i>GEOSTAT (Tengiz Tsekvava): discusses the important aspects related to field operation and interview protocol. This could include: (a) training of field staff on issues specific to surveys on asset ownership; (b) workload distribution when multiple enumerators are needed; (c) the experience with gender matching; (c) interview protocol (simultaneous or consecutive). Supplement with the Georgia experience.</i></p> <p><i>Discussion</i></p>
16:30 – 17:30	<p>Group discussion 2:</p> <p><i>Participants will split into groups and discuss a set of questions around the following topics:</i></p> <ul style="list-style-type: none"> • <i>Data collection strategies and questionnaire design</i> • <i>Proxy and self-reported data</i> <p><i>Discussion</i></p>
<p>Day 3: Thursday, 9 August 2018</p>	
9:00 – 10:00	<p>10. SDG indicators and the EDGE methodology: ind 5.a.1</p> <p>Chair: Yumiko Kamiya (UNSD)</p> <p><i>UNSD (Yumiko Kamiya): introduces the indicators and the links with the discussion over the past two days.</i></p> <p><i>FAO (Yonca Gurbuzer): provides more in-depth explanation on monitoring SDG indicator 5.a.1, focusing on: i) agricultural land definition, ii) the reference population, iii) land ownership and land tenure rights, and iv) the types of legally recognized documents.</i></p> <p><i>Synergies and difference between the EDGE methodology and 5.a.1 will also be discussed (referring to the inclusion of short-term rentals from private landlords among secure tenure rights); plus other key concepts.</i></p>

	<i>Discussion</i>
10:30 – 10:45	Coffee break
10:45 – 12:00	<p>11. Data collection strategies/proposed questions for SDG 5.a.1 Chair: Zhiyuan Qian (UNSD)</p> <p><i>FAO (Yonca Gurbuzer): presents how the indicator 5.a.1 can be collected in a survey context, focusing on: i) survey vehicles, ii) respondent selection procedures, iii) minimum set of questions and unit of observation, iii) harmonization with SDG 1.4.2.</i></p> <p><i>Discussion</i></p>
12:00 – 13:00	Lunch break
13:00 – 14:30	<p>Group discussion 3: <i>Participants will split into groups and discuss a set of questions around the following topics:</i></p> <ul style="list-style-type: none"> • <i>Calculating and reporting on SDG 5.a.1</i> <p><i>Discussion</i></p>
14:30 – 14:45	Coffee break
14:45 – 16:00	<p>Closing remarks and evaluation of the workshop</p> <ul style="list-style-type: none"> • <i>ECLAC</i> • <i>UNSD</i>
