

UNITED NATIONS  
STATISTICS DIVISION

Side event to the 48<sup>th</sup> UN Statistical Commission

## Evidence and Data for Gender Equality (EDGE)

Meeting organized by the Social and Housing Statistics Section,  
United Nations Statistics Division (UNSD)

**Date/Time:** Saturday, 4 March 2017, 9:00-13:00

**Venue:** 2 UN Plaza, Conference Room 1949

**Opening/Chair:** Ms. Keiko Osaki-Tomita, Chief Demographic and Social  
Statistics Branch

### Speakers:

1. Presentation of key recommendations from the UN Methodological Guidelines for the Production of Statistics on Asset Ownership from a Gender Perspective (UNSD)
2. Update on the process for finalizing the guidelines (UNSD)
3. Questions and answers/Discussion (All)

The meeting will share the key recommendations from the UN Methodological Guidelines for the Production of Statistics on Asset Ownership from a Gender Perspective and discuss the process for finalizing the guidelines, including the proposed methodology for SDG Indicator 5.a.1 (a) + (b).

For additional information and to RSVP by 1 March 2017 (required for non-UN pass holders), please contact [bekelem@un.org](mailto:bekelem@un.org).
