SDG LITERACY PROGAMME

- Agency: Iskandar Regional Development Authority (IRDA)
- Project Duration :December 2019-February 2021
- District Covered:Johor Bahru, Pontian and Kulai District in Johor
- Data Provider: 5 Local Councils and 3 District Offices

Objective:

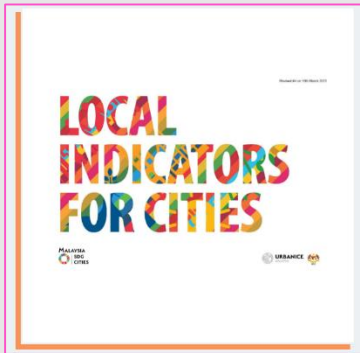

To support a larger, ongoing initiative to establish the **Malaysia Urban Observatory (IMUO)**, at the **subnational level**. This project contributes towards realizing Iskandar Malaysia's vision to become a sustainable, inclusive and smart regional corridor through evidence-based spatial planning and policy making.

DOSM Contribution:

- Conducted **initial assessment** for all SDG Indicators related to Local Council and the result was **53 SDG Indicators are available at Local Council level**.
- Cooperate with consultants and IRDA in the process of **collecting 23 district level indicators** involving 5 Local Council and 3 District Offices for Johor Bahru, Pontian and Kulai District.
- Provided 19 indicators at the district level** for 3 districts of Iskandar Malaysia (from DOSM and Agencies).

Review the Local Indicators For Cities Publication (2021)

The objective of this publication are

- to assess suitable local indicators for cities towards achieving SDG targets
- to improve proposed local indicators for cities; and
- to proposed suitable local indicator for cities.

DOSM has provided comments on the suitability of the cities indicator proposed with the SDG global target as well as checked the indicator used from the DOSM SDG Indicators publication.

Malaysia Urban Forum (MUF)

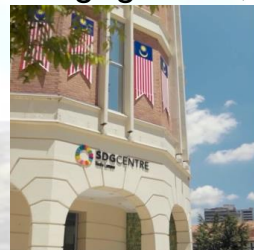

DOSM has been invited as a panel during the APUF 7 (2019) , MUF 2020 and MUF 2021.

- 7th Asia Pacific Urban Forum (APUF-7) (2019): Data and Technologies for Smart City
- MUF 2020: The Performance Assessment Of The Sustainable Development Goals Indicators For Malaysia 2020
- MUF 2021: Urban Poverty and Gender responsive data collection Set Disaggregate Data (SDD)

MALAYSIA
URBAN
FORUM

Kuala Lumpur SDG Center

- In September 2021, Kuala Lumpur City Hall (DBKL) with collaboration of URBANICE Malaysia have established the first Kuala Lumpur SDG Center in Malaysia and the Asia Pacific in.
- This centre is an interactive center to bring together all initiatives and commitments to implement the 17 Sustainable Development Goals (SDGs) in Kuala Lumpur. It is expected to empower the city of Kuala Lumpur as the capital of Malaysia to establish partnerships and collaborations at the local and international levels. The Centre's mandate is to espouse sustainable urban development through engagement, showcasing, learning and sharing of KL's SDG implementation.
- **DOSM has contributed SDG data to be showcased at the Centre.**

All-Party Parliamentary Group Malaysia on Sustainable Development Goals (APPGM-SDG) project

- APPGM was established in October 2019 to implement activities that support the 2030 Agenda (localizing SDGs) according to the parliamentary area.
- APPGM is a bipartisan initiative composed of representatives of the National Assembly and representatives of the People's Assembly and Non-Governmental Organizations (NGOs) as the Secretariat.
- APPGM has carried out a study in selected parliamentary areas using qualitative methods and focused on solution projects, which is to carry out activities for selected areas that need assistance.
- There are 121 solution projects which has been conducted during 2020 until 2022.
- APPGM will collect data for impact and evaluation process.
- **DOSM has provided population data for the study area involved.**

APPGM SDG supports the Sustainable Development Goals

List of Activities

- DOSM has been invited :
 - As a panel in the Forum, Malaysian CSO SDG Alliance Online Policy Forum: 2020 Census & Relevance. This forum was held to discuss matters related to the 2020 Population and Housing Census and to obtain input to monitor Contribution of articles from APPGM related to the implementation of the SDG Project in selected areas for SDG Indicators 2019 (November 2020)
 - To share regarding the SDG Summary Report of SDG Indicators, Malaysia, 2019 during "CSO SDG Alliance Members Conversation Together on APPGM-SDG 2020 Activities & Prospects for 2021 on 22 December 2020.
- DOSM has invited AAPGM as a Panel during the SDG Seminar in 2020 and 2022.

"STATISTICS BLOOM IN HARMONY"

Doesn't matter far or near
Strength in numbers
we don't live in fear

Birds of feather flock together
Statistics our form of adour
We, will always live it up

So let us live in solidarity
And in the world arena we'll succeed
It is statistics that will come to be
The reason we will bloom in
harmony

Everybody undivided
Data's where our hearts reside in
There will always be a bind

Just like fire that ignites
That's how brightly lit our dreams are
We'll reach higher than the stars

Sending love to one another
Leaving no one in a slumber
We will stand with unity

Mustering our courage while
Embracing our disparities
We'll achieve our victory

One dream with unity
One love with harmony
