

**SUSTAINABLE  
DEVELOPMENT GOALS**

## **Plenary Session**

**6th Meeting of the Inter-agency and Expert Group on  
Sustainable Development Goal Indicators (IAEG-SDGs)**

**Agenda Items 9. Proposed Annual Refinements of  
Indicators**

13-14 November 2017

Manama, Kingdom of Bahrain

# **Agenda Item 9. Proposed Annual Refinements of Indicators**

*(12:15 pm – 12:30 p.m.)*

# Criteria for annual refinements

- Criteria for annual refinements of SDG indicators:
  - Specifying or correcting a unit of measurement
  - Clarification of terms used in the indicator
  - Spelling and other editorial changes.
  - Any other minor issues that do not substantively change the indicator meaning.

# Possible Annual Refinements to be considered

## Indicator 1.4.2

**Current Formulation:** Proportion of total adult population with secure tenure rights to land, with legally recognized documentation and who perceive their rights to land as secure, by sex and by type of tenure

**Proposed Refinement:** Proportion of total adult population with (i) secure tenure rights to land, with legally recognized documentation and (ii) who perceive their rights to land as secure, by sex and type of tenure

# Possible Annual Refinements to be considered

## Indicator 6.2.1

**Current Formulation:** Proportion of population using safely managed sanitation services, including a hand-washing facility with soap and water

**Proposed Refinement:** Proportion of population using (i) safely managed sanitation services and (ii) a hand-washing facility with soap and water

# Possible Annual Refinements to be considered

## Indicator 17.17.1

**Current Formulation:** Amount of United States dollars committed to public-private partnerships and civil society partnerships

**Proposed Refinement:** Amount of United States dollars committed to (i) public-private partnerships and (ii) civil society partnerships
