

# EMPOWERING DATA PARTNERSHIPS AND CAPACITY DEVELOPMENT FOR ACHIEVING SDGS: AN INDIAN PERSPECTIVE

---

Dr. Sudeepta Ghosh

Director

NSO, India

15<sup>th</sup> Meeting of the IAEG-SDG

October 2024

# Contents

- Institutional Arrangements
- Data partnerships and Localization
- Modernization techniques
- Initiatives towards bridging data gaps
- Capacity Development and other awareness programs
- Challenges and Way forwards

# Institutional Arrangement for Implementation of SDGs at National Level

## NITI Aayog

- Overall Monitoring, coordination and implementation of SDGs
- Localisation of SDGs in States/UTs

## Ministry of Statistics and Programme Implementation (MOSPI)

- Development of National Indicator Framework to facilitate monitoring the progress on SDGs
- Progress Reports on SDGs NIF
- Technical Assistance to States/UTs

## Ministry of External Affairs (MEA)

- International Commitments

## Line Ministries

- Implementation of the SDGs
- Providing data for SDG indicators

Endorsing India's commitment to implement the SDGs while responding to national priorities, MoSPI has developed the NIF

## Institutional Arrangement for Implementation of SDGs at National Level

- NIF- evolutionary in nature and is refined/revised from time to time.
- NIF- periodically reviewed and refined by a High-Level Steering Committee of CSI & Secretary, MoSPI.
- Under HLSC, a Technical Advisory Committee (TAC)- to provide technical support to HLSC.
- Based on the data from the data source Ministries, MoSPI releases progress report on SDGs annually
- In order to incorporate SDGs into the ongoing national and sub-national policies and programs, NITI Aayog, has aligned the SDGs with centrally sponsored programs across various central Ministries/Departments.

# Data partnerships and Localization

## Indicator Framework at Sub-National level

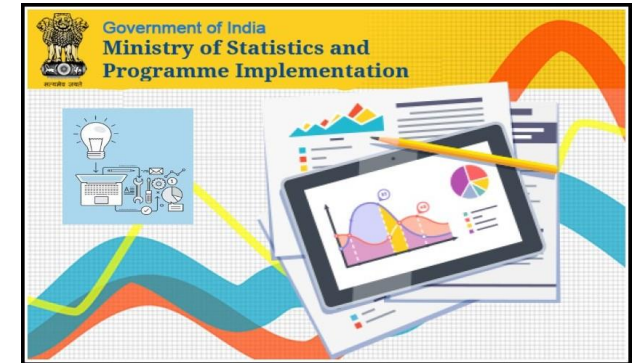

- India has a federal set up.
- 28 out of 36 states developed SIF
- Others are at various stages of finalization

## Indicator Framework at Sub-State Level

- Some states have developed DIF; Others are in process
- Almost all States have developed their vision document

## Local Indicator Framework

- MoSPI provides technical assistance for LIF and PDI
- 9 themes related to the local community have been chosen for localization

# Data partnerships and Localization-Good Practices

PDI Portal

SDG Based Budgeting

पंचायत विकास सूचकांक पोर्टल

**Panchayat Development Index (PDI) Portal**

Facilitating creation of a digital platform & ecosystem for  
focused implementation of interventions to achieve SDG 2030 agenda in rural India

Login

Activate Windows

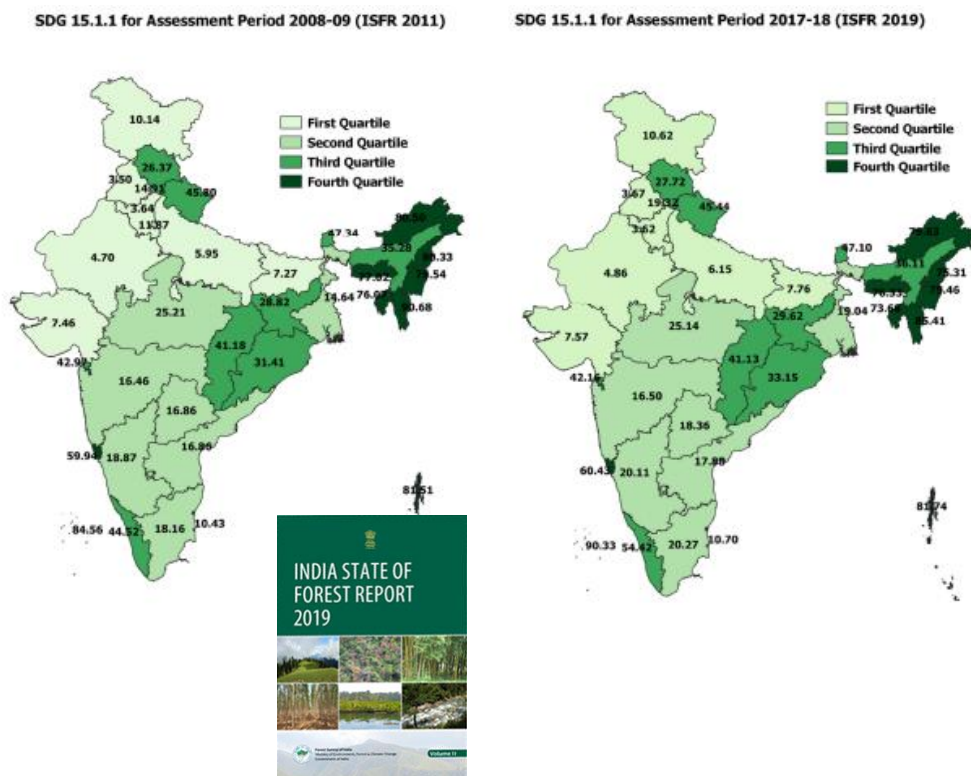

- Integration of the budget with SDGs enables SDGs monitoring and implementation
- Some States are reporting for SDG based Budgeting

# Modernization Techniques

## Use of Geospatial Data

### ➤ Forest Cover-Goal 15

## Use of Paperless Survey Techniques

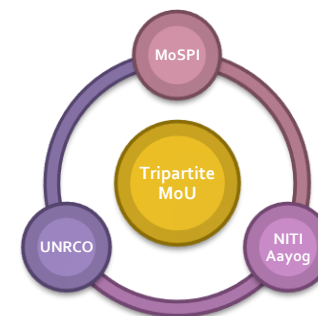

### ➤ Periodic Labor Force Survey (PLFS)- Goal 8

### ➤ The Urban Frame Survey (UFS)- for collecting data on socio economic survey prepared through geo-tagging to address various targets of SDGs.

# Initiatives Towards Bridging Data Gaps

- ❑ **Tripartite MoU among MoSPI, NITI Aayog & UNRCO**
  - Support for Data, Indicators and Statistics for monitoring SDGs in India
- ❑ **In pursuance of the provision of MoU, MoSPI has set up a Data for Development Coordination Forum (DDCF) on SDGs for developing the data plan, assisting in the development of a sound measurement; improving the indicator framework after a thorough review with all stakeholders etc.**
  - Next meeting of the Data for Development Forum- 22nd Nov, 2024

Data Availability- 277 out of 290

About 79% from Administrative Records

About 20 % from Survey Data

About 1% from Census Data

# Capacity Development and other awareness programs

## Capacity Development

- Conducts regular capacity building workshops for Students/ Ministries/ State level officers/ Researchers etc.
- MoSPI provides technical assistance for SIF, DIF and LIF
- MoSPI developed guidelines for development of sub-National Indicator Framework in 2019; updated March, 2022 in its report "Guidance on Monitoring Framework for SDGs at Sub-national Level"

## Others

- Theme of Statistics Day
- Advanced dissemination techniques

# Challenges and Way Forwards

## Challenges

- Data Privacy & Security
- Infrastructure Gaps
- Data silos

## Way Forwards

- ❑ Upgrading technology for real time data processing
- ❑ Increased collaboration

**Thank You !**
