Member State Consultation Process: the experience of the Brazilian Institute of Geography and Statistics (IBGE) in 2020 Comprehensive Review

Denise Kronemberger
Head of Institutional Relations/IBGE
Introduction/Context (Timeline of 2020 Comprehensive Review - CR)

2019

March
2020 CR launched in IAEG-SDGs homepage

May
Ninth Meeting - Lebanon (timeline, criteria and additional indicators)

June
Started 2020 Review - Open call for proposals

July
5 Virtual Meetings – Preparation for Open Consultation

August
Open Consultation

September
Review of Open Consultation Proposals

October
Tenth Meeting - Addis Ababa (Final list of proposals)
How did we conduct consultations with neighboring countries on the proposals?

Using the Structure of IAEG-SDGs Representation (in Sub-Regions)
Brazil and Colombia – members of IAEG-SDGs

Cooperation

Chile
Paraguay
Argentina
Uruguay

Represented countries

Bolivia
Peru
Ecuador
Virtual meeting held on May 6th of 2019 between Brazil and Colombia to start the joint work process within the scope of the IAEG-SDGs.

Other virtual meetings between Brazil and Colombia.

Definition of focal points in represented countries (Email sent in May 07th of 2019).

Protocol to articulate actions with Latin American countries.
❑ Virtual meetings with represented countries (22th May and 16th October in 2019).

❑ Continued communication by emails (focal points in countries and ECLAC SDG Indicators Team).

❑ Elaboration of the additional indicators proposals (June 2019): Brazil and Colombia with support from UN Environment and ECLAC.
Proposals for additional indicators from Brazil and Colombia

3.7. By 2030, ensure universal access to sexual and reproductive health services, including family planning, information and education, and the integration of reproductive health into national strategies and programs

✓ Maternity in adolescents: Percentage of adolescent women aged 15-19 who are mothers.

4.3. By 2030, ensure equal access for all men and women to quality technical, vocational and higher education, including university education.

✓ Gross enrollment ratio in tertiary education, by sex

12.5. By 2030, substantially reduce waste generation through prevention, reduction, recycling and reuse

✓ Proportion of recycled waste in relation to total collected waste
# Indicator Proposal Summary Template and Metadata Draft Template (UNSD)

## Indicator proposal template

- Full name of the Indicator
- Custodian Agency(ies)
- Goal and target addressed
- What type of proposal (replacement, refinement, adjustment and addition)
- Background and rationale for the indicator proposal
- Data sources and data availability
- Confirmation/explanation of joint submission with other partner/co-custodian agencies (if applicable)
- Conclusion

## Metadata draft template

Statistical Coordination Group for the 2030 Agenda in Latin America and the Caribbean

Support from ECLAC (SDG Indicators Team)
KTN Community (ECLAC)

Online collaborative platform to improve the communication on SDGs between the countries representing the global groups and the rest of the countries of the region.

Statistical Coordination Group for the 2030 Agenda in Latin America and the Caribbean

Welcome! This community of practice aims to foster dialogue among countries on the different monitoring and follow-up mechanisms of 2030 Agenda indicators.
How did we conduct national consultations on the proposals in Brazil?

Using the National Coordination Mechanisms to Produce SDG Indicators
Governance Structure of the 2030 Agenda Project at IBGE

- IBGE: 50 people
- 17 working groups
- Partner institutions
2020 Comprehensive Review Consultation Flows: a Brazilian example

CA = Custodian agencies
Open Call for Proposals

✓ 194 proposals received throughout this process

92 proposals met the criteria established by the IAEG-SDG.

✓ Brazil sent comments on 66 proposed indicators (out of a total of 92)

We agreed with 34 proposals
# Color Coded Indicator Proposals

– a classification created by the Secretariat of IAEG-SDGs to analyse the contributions throughout the Open Call

<table>
<thead>
<tr>
<th>Color</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Light Green</td>
<td>Targets highlighted in this color are those the IAEG-SDG identified as possibly needing additional indicators</td>
</tr>
<tr>
<td>Yellow</td>
<td>Indicators highlighted in this color are those that are Tier III and where methodological development has stalled and a replacement indicator is likely needed</td>
</tr>
<tr>
<td>Pink</td>
<td>Indicators highlighted in this color are Tier I and II indicators that currently lack data and where there are no plans for data collection activities to commence</td>
</tr>
<tr>
<td>Cyan</td>
<td>Proposals highlighted in this color that meet all of the criteria established by the IAEG-SDG</td>
</tr>
<tr>
<td>Red</td>
<td>Proposals highlighted in this color that do not meet the criteria established by the IAEG-SDG</td>
</tr>
<tr>
<td>Maroon</td>
<td>Proposals highlighted in this color that are either comments that are not a specific proposal or proposals where it is not clear if all of the criteria have been met</td>
</tr>
</tbody>
</table>

Support for analysis
Participation in the review of Open Consultation Proposals and Refinements

- Rating on a scale of 1-5 our opinion on each of the proposals (with 1 being not at all important to include in 2020 Review and 5 being extremely important to include) (Oct., 2019).

Incorporating the 2020 Comprehensive Review changes into the Brazilian SDG Platform

Goal 1. End poverty in all its forms everywhere

<table>
<thead>

Lessons Learnt and Recommendations

- Leadership of NSO.
- Governance structure (NSO and other national data producers).
- Cooperation between NSO and other national data producers.
- Importance of the participation of represented countries in IAEG-SDGs.
- Updated national focal points for SDG Indicators in the represented countries, and close collaboration with ECLAC.
- More time to conduct the next Comprehensive Review
- Templates for indicator proposals
- Planning consultations in a country level
Thanks for your attention!
