CAPACITY BUILDING EFFORTS TO MONITOR SDG: REGIONAL WORK LATIN AMERICA AND THE CARIBBEAN

Statistics Division – ECLAC

REGIONAL INSTITUTIONAL ARQUITECTURE FOR SDG MONITORING

Statistical Coordination Group for the Agenda 2030 in LAC – SCA/ECLAC

*“ To coordinate the process of **preparing and implementing regional indicators** and to **build relevant capacities**, as part of the follow-up to the SDG in LAC. The Group was established within the framework of the SCA/ECLAC and carries out its activities in coordination with the work performed by the IAEG–SDG and the activities and decisions of the HLG–PCCB.”*

EC/SCA, Santiago, June 2016

STATISTICAL COORDINATION GROUP FOR THE AGENDA 2030 IN LAC – SCA/ECLAC

- Members
 - IAEG–SDG: Brazil, Colombia, Grenada, Mexico, Trinidad & Tobago
 - HLG: Argentina, Costa Rica, Ecuador, El Salvador, Saint Vincent and the Grenadines, Suriname
- Technical Secretariat
 - ECLAC

Statistical Coordination Group for the Agenda 2030 in LAC

Activities

- ✓ • Preparation of an inventory of national capacities for producing the indicators proposed in the SDG
- ✓ • Preparation of an inventory of specialized human resources in the region and of training activities for improving the technical capacities of national statistical systems to produce the indicators proposed in the SDG (in coordination with the Knowledge Transfer Network)
- Design of training programmes and regional cooperation strategies
- ✓ • Support for the preparation of a framework of indicators for regional follow-up to the Goals and targets of the 2030 Agenda for Sustainable Development

Statistical Coordination Group for the Agenda 2030 in LAC

Inventory of national capacities to produce SDG indicators

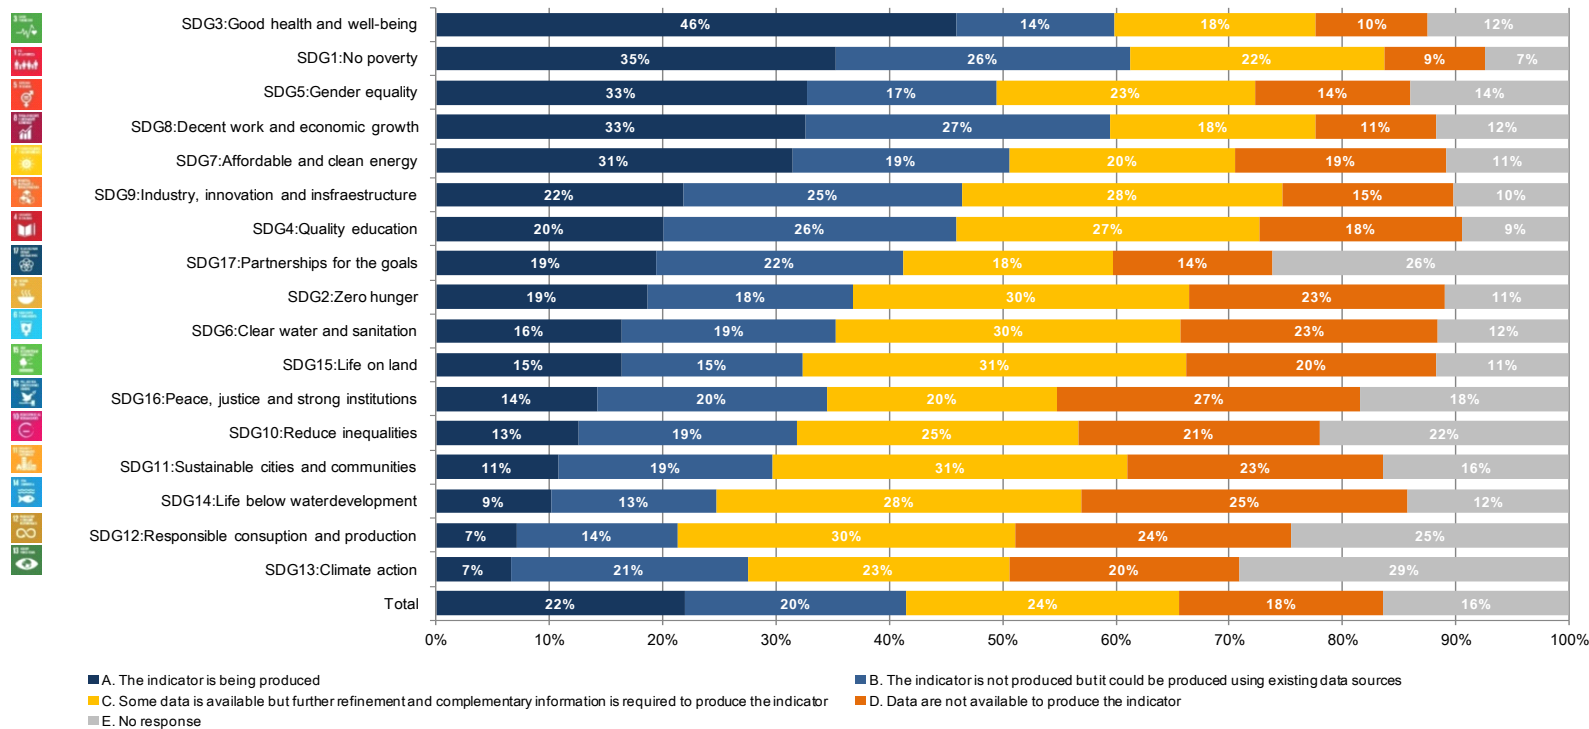

- 26 countries have completed the questionnaire
- Regional diagnosis presented to the Forum of the LAC countries on Sustainable Development, Mexico City, April 2017
- Online platform to access and process the information available for all the responding countries and to the statistical instances of UN–Agencies and the international organizations in LAC to define capacity building strategies
- Up–dated version to be presented to the 2nd meeting of the Forum of the LAC countries on Sustainable Development, Santiago, April 2018
