

Leaving no-one behind in national covid surveys: Inclusion of forcibly displaced in nationwide phone surveys

Evidence guided by the international recommendations on refugee and IDP statistics

Inter-agency and Expert Group on SDG Indicators

June 15, 2022

**Joint Data Center
on Forced Displacement**

High Frequency Phone Surveys on COVID19

- World Bank-UNHCR Joint Data Center on Forced Displacement (JDC), the World Bank and UNHCR (in collaboration with other international organizations worked together, in close collaboration with select National Statistical Offices, to identify countries that conducted COVID19 high-frequency phone surveys on the national/host populations, to monitor welfare and behavioral changes during the pandemic.
- Expanded these to also cover refugees or IDPs, in a representative and disaggregatable manner (leave no-one behind!)
- Supported the analysis of the data that was collected

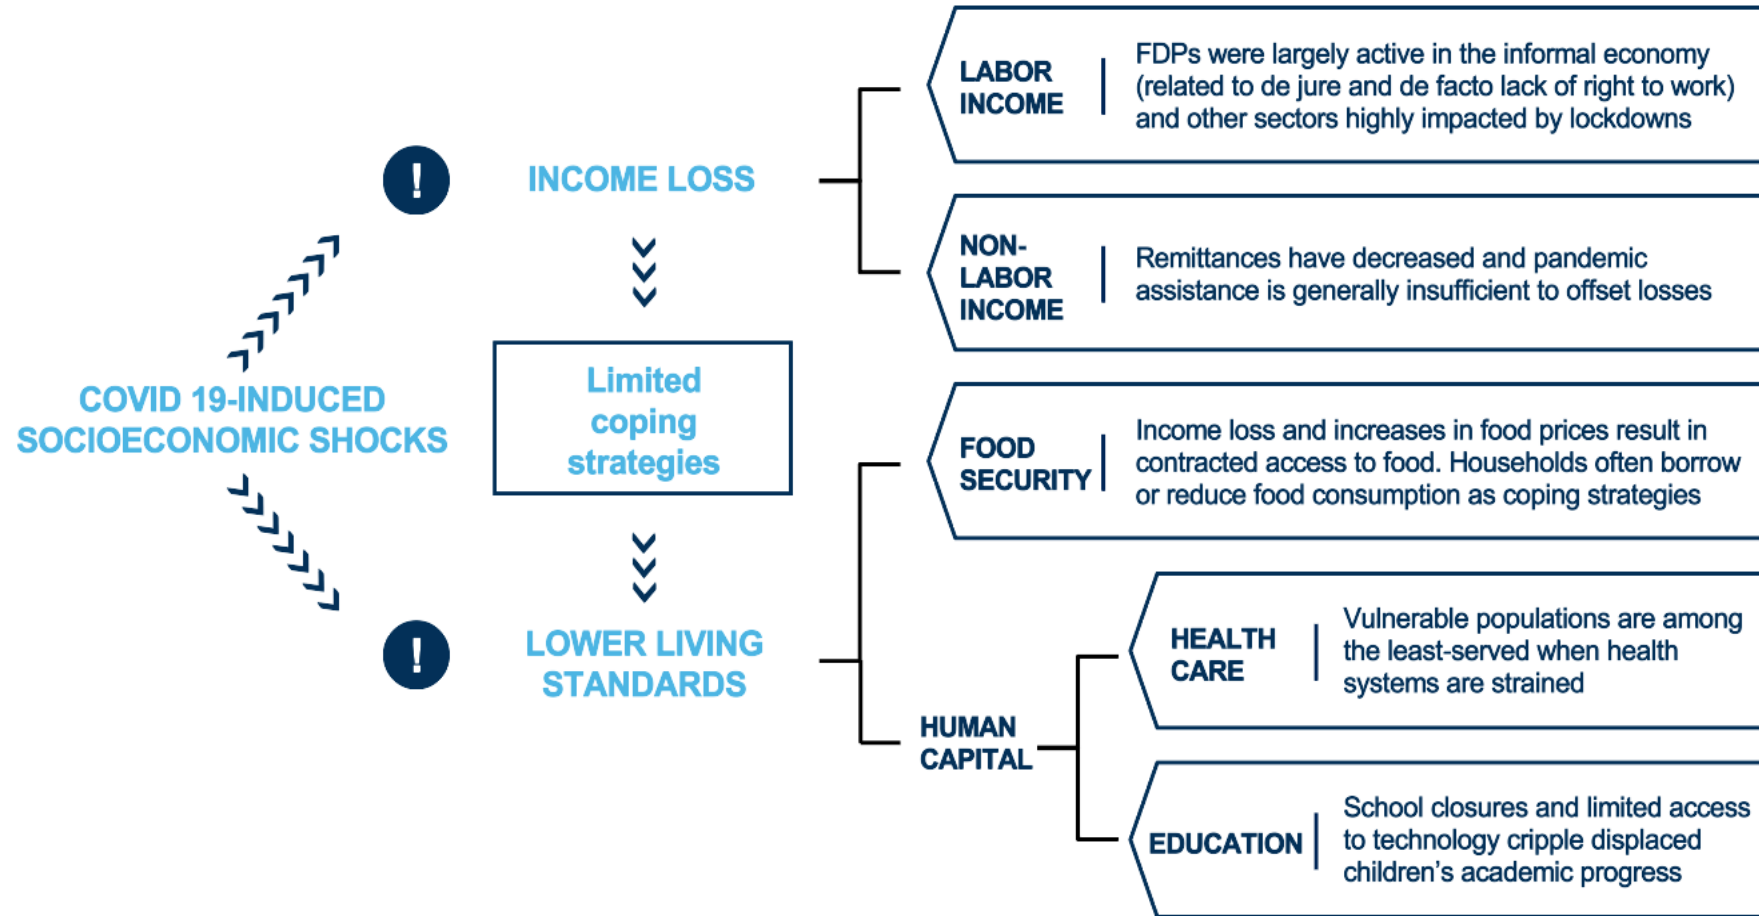

The socioeconomic impact of the pandemic – inclusion of the forcefully displaced

Country	Population
Bangladesh	Refugees: Cox's Bazar camps. Host: Cox's Bazar district residents
Burkina Faso	IDPs: national. Host: non-IDP nationals
Chad	Refugees: in camps. Host: national
Jordan	Refugees
Djibouti	Refugees: camps and urban non camp. Host: national
Ethiopia	Refugees: camps and urban non camp. Host: national
Iraq	IDPs, Returnees: KRI, North. Host: Nationals from KRI, North
Yemen	IDPs: national. Host: non-IDP nationals
Kenya	Refugees: in camps. Host: national
Uganda	Refugees: in camps. Host: national

The socioeconomic impact of the pandemic – key dimensions

Key achievements

- Inclusion of refugees, IDPs and returnees in nation-wide surveys
- Data on refugees, IDPs and returnees
 - Data is publicly available on the World Bank and UNHCR Microdata Libraries
- Briefs and reports of key findings on the conditions of refugees, IDPs and returnees during the pandemic
 - Published on the World Bank and the JDC website
- Joint work with NSO in the data collection and analytical work
- Collaboration between different organizations (WB, UNHCR,
- Understanding the socio-economic impact of the pandemic on FDPs compared to their host
- Implementing the IDP recommendations from IRIS and the IRRS
