VISION OF EGYPT

**National SDG
Monitoring
Mechanisms
and Processes:
Egypt**

Institutional Arrangements

- Establishment of **sustainable development units** / task forces in government entities
- Establishment of **the National Committee for Monitoring the Implementation of the Sustainable Development Goals**
 - Prime ministerial decree
 - 17 ministries and state entities

SDG Indicators Data

- **CAPMAS National Statistical Report for Monitoring SDGs Indicators in Egypt**
 - Released 2018 & 2019
 - SDG indicators data from 23 different ministries and entities, and also from CAPMAS surveys
 - 47.5 % of SDG indicators available (2018)

SDG Indicators Data

- Egypt's **SDG Observatory Dashboard**
 - <http://egyptsdgobservatory.info/#/>
 - Initiative by CAPMAS SDU and UNICEF Egypt Country Office
 - Mobile application also available
- 1st rank in the Arab Region for implementing 50% of National Reporting Platforms criteria (ESCWA report)

SDG Indicators Data

- **SDG Localization Reports**
 - 27 governorate reports
 - Better disaggregation of data
 - Monitoring performance of governorates in SDGs

National Strategy

- **National Strategy for Development of Statistics - CAPMAS**
 - First of its kind in Egypt
 - With support from World Bank and African Development Bank
 - Inclusive of statistical plans from governmental entities
 - Ensure improved data sharing and availability

Monitoring Mechanisms

- Electronic Platform for Monitoring and Evaluation
 - Mapping public investment projects to the SDGs
- Electronic Platform for Monitoring the Government Program
 - Mapping the government program indicators to the SDGs
- Policy Tracker
 - Focusing on Covid-19 related policies
 - Mapping all policies to the SDGs
 - 486 policies as of 10 Jan 2021, starting from 24 February 2020

Stakeholders Engagement

- In the **VNR preparation process**
 - Participation of all stakeholders in the reporting on achievements in the SDGs
- Examples of CAPMAS **partnerships** to improve SDG indicators measurement and availability
 - With FAO to improve SDG 2 and SDG 14 indicators
 - With UN Water to improve SDG 6 indicators

Thank You

**Sustainable Development Unit,
The Ministry of Planning and
Economic Development,
Egypt**
