17 Goals to Transform our World

ng Ireland's progress towards achieving the United Nations Sustainable Development Goals

Welcome to Ireland's Sustainable Development Goals (SDGs) data hub.

This is a collaboration platform for reporting on progress towards the goals and sharing information on related initiatives.

Ireland's progress against each goal is measured using a set of United Nations (UN) global and European Union (EU) agreed targets and indicators.

From this home page, you can access information on specific goals, view our video and sign up to receive updates.

Role of CSO

Focal Point for SDGs

- SDG Road Map for Statistics - UNECE
- Data Quality - GSBPM model
- Co-ordinate requests for data from UN Orgs.
