

**Summary of decisions of January 2019 IAEG-SDG Member WebEx Meeting**  
**17 January 2019 | 8:30 – 10:30 am (EST)**  
**Prepared by UNSD**

The IAEG-SDGs held a WebEx meeting on 17 January 2019 to review two proposals received for tier reclassification. The meeting was open to all countries, international and regional agencies and entities, and other stakeholders.

Information including the full tier reclassification proposals and presentations are available at the following website: <https://unstats.un.org/sdgs/meetings/webex-17jan2019/>

The decisions reached by the IAEG-SDGs are summarized in the table below:

**Summary of decisions**

Indicator	Possible Custodian Agency(ies)	Partner Agency(ies)	IAEG-SDG decision during January 2019 WebEx Meeting
3.8.1 Coverage of essential health services (defined as the average coverage of essential services based on tracer interventions that include reproductive, maternal, newborn and child health, infectious diseases, non-communicable diseases and service capacity and access, among the general and the most disadvantaged population)	WHO	UNICEF, UNFPA, DESA Population Division	<b>Continue to use already existing methodology to report on this indicator. Request further work on new methodology to be completed before considering replacing existing methodology with proposed methodology.</b>
8.4.1/12.2.1 Material footprint, material footprint per capita, and material footprint per GDP	UNEP	OECD	<b>Remain in Tier III. Request UNEP to do additional methodological work and await approval as international standard before indicator reclassified.</b>
