Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.

Pleas for global peace grow louder.

World is witnessing largest number of violent conflicts since 1946 and a quarter of the global population lives in conflict-affected countries (end 2020).

A record 100 million people had been forcibly displaced worldwide (May 2022).

One third of the world’s population mostly women fear walking alone in their neighbourhoods at night.

Global homicide rate declined 5.2% between 2015 and 2020 falls short of the “significant reduction” by 2030 targeted in the SDGs.

Corruption is found in every region.

Almost one in six businesses have received bribe requests from public officials.
