Updating of Toponymic Guidelines for map editors and other editors, Finland

The 4th, revised edition of *Toponymic Guidelines for map editors and other editors, Finland*, presented at the 22nd Session of UNGEGN, New York, 2004 (WP 49), has now been updated (version 4.7, March 2014).

The updates concern, e.g., the distribution of population and languages in Finland (section 1 *Languages*), the list of publications (section 3 *Publications*), information on a proposal of a place name act in Finland, and changes in the number and names of the municipalities since 2012.

The list of the names of Finnish municipalities (list 1) has been updated according to the situation at the beginning of 2014.

The updated version 4.7 of the *Toponymic Guidelines for map editors and other editors, Finland* is available from <http://www.kotus.fi/toponymicguidelines>.
