Explanatory note on the documentation for the Conference

1. **E/CONF.98/#** are summaries of technical reports that were submitted to the UNGEGN Secretariat by 15 June 2007. These were edited and translated into the official languages of the United Nations (Arabic, Chinese, English, French, Russian and Spanish).

2. **E/CONF.98/#/Add.1**: The main reports submitted by the deadline were numbered E/CONF.98/#/Add.1 whereby the number (#) refers to the summary mentioned above. The main reports were processed for distribution at the Conference and also posted on the UNGEGN website without any formal editing.

3. Short reports, less than 2 pages long, were treated as summaries and translated into the UN official languages. These reports are numbered as E/CONF.98/# and they will not have a corresponding E/CONF.98/#/Add.1 report.

4. **E/CONF.98/CRP** (Conference Room Papers): Reports submitted after the deadline are numbered as E/CONF.98/CRP. #. These reports do not have summaries translated into the United Nations official languages. The reports were not subject to formal editing and will be distributed in the language received as conference room papers and added to the UNGEGN website.

5. The contents of all reports are the responsibility of the authors and do not necessarily reflect the views of the United Nations.
