## **Some Changes in Geographical Names in Hungary Affecting Populated Places between 2002-2006**

### **Summary**

In the paper information is given on the new self-standing settlements in Hungary, with their formation and declaration of their names, as announced by the President of the Republic. In most cases cessation of unification resulted in the new situation. The decisions came into force in October 2006. In point 8. only the rank of the city changed to so-called town with county right (cities with over 50 000 inhabitants usually obtain this title). Point 9. lists a number of settlements that have been promoted to town right by the President.

**1. Decision of the President of Republic of Hungary N° 103/2003.(VI. 25.)KE  
on declaration of the formation of village Ipolyszög**

Upon the advice of the Minister of Internal Affairs I declare the settlement part Ipolyszög of town Balassagyarmat – with the cessation of the former unification – as village named Ipolyszög. The formation of Ipolyszög does not affect the town title of Balassagyarmat.

This decision will come into force after its declaration on the day of the general election of local government.
