Address:

↑ *Please correct any errors in the above address label*

Statistics South Africa (Stats SA) is a government department, responsible for the collection, processing, analysis and interpretation of official statistics.

Purpose of the survey

The Wholesale Trade Large Sample Survey is conducted once every five years. It enquires about the Wholesale trade industries in South Africa. Results of the survey are used to measure the performance of the economy. These results are used by government to develop and monitor policy. The private sector also uses these statistics in analyses of comparative business and industry performance.

Collection authority

The information required is collected under Section 16 of the Statistics Act, 1999 (Act No. 6 of 1999). Your co-operation is sought in completing and returning this questionnaire by the due date. **The provision of the information sought is compulsory.**

Confidentiality

According to Section 17 of the Statistics Act, 1999 (Act No. 6 of 1999), your completed questionnaire remains confidential to Statistics South Africa (Stats SA). All individual business information is never disclosed. Results are presented in aggregated form only.

Due date

Please complete this questionnaire and return it in the business reply service envelope or fax it to Stats SA by **15 DECEMBER 2005**. Stats SA recommends that you retain a copy for reference in the event of a query.

Help available

If you have problems completing this questionnaire, or find that it will be difficult for you to meet the due date, please contact us at:

- Name: _____
