ACC SUB-COMMITTEE ON STATISTICAL ACTIVITIES
Twentieth session
Geneva, 9-13 June 1986
Item 6 of the provisional draft agenda

REVIEW OF MATTERS TO BE DISCUSSED AT
THE TWENTY-FOURTH SESSION OF THE
STATISTICAL COMMISSION (FEBRUARY-MARCH 1987)

Drafts/outlines of selected documents for the Statistical Commission

1. Addendums 1, 2 and 3 (attached) contain information on progress to date in preparing the following reports for the Statistical Commission's session in February-March 1987.

2. These reports are thought to be of special concern and interest to members of the Sub-Committee. Comments on these notes on the plans for completion of the reports and on possible inputs from Sub-Committee members are invited.

   Add. 1: Issues of communication between national and international statistical agencies and data base development

   Add. 2: Special problems in the statistically least developed among the developing countries.

   Add. 3: An assessment of the effectiveness of technical co-operation in statistics.
