MATTERS ARISING FROM THE THIRTIETH SESSION

Decisions made at the thirtieth session

Note by UNSD

1. The report of the Subcommittee on its thirtieth session is before the Subcommittee under agenda item 2 "Adoption of the report of the Subcommittee on its thirtieth session" (see ACC/1996/9).

2. The paragraphs of that report which contain the decisions made at the thirtieth session are listed below. The Subcommittee should review the actions that have been taken on the decisions made. For many decisions the actions taken are described in reports that the Subcommittee will consider under other agenda items at the present session, and should be considered under those items. For decisions to be taken up under the present agenda item, namely item 3, the involved organizations and/or the Bureau should provide to the Subcommittee an update on actions taken. The two reports of the Bureau (SA/1997/2 and SA/1997/3 provide updated information on several of the decisions.
