### MONEY

The peso is the currency of Colombia. Its ISO 4217 code is COP and it is also abbreviated as COL\$. The majority of ATMs (Automated Teller Machines) networks in Colombia are linked to a network that most likely includes your bank at home. Hence, you would be able to make a cash withdrawal if you have a cash card (ATM Card) that offers Cirrus ([www.mastercard.com/atmlocator/index.jsp](http://www.mastercard.com/atmlocator/index.jsp)) or Plus ([www.visa.com/atm](http://www.visa.com/atm)), the 2 most popular networks. There are fees and daily limits associated with withdrawing money using the above networks. Please check with your bank at home for this information.

Credit Cards are a convenient way to pay for transactions. American Express, Visa and Master Card (among others) are accepted virtually everywhere in Bogotá.

---

### CONFIRMATION OF RETURN FLIGHTS

Please contact the airline directly to reconfirm your flight.
