Session 8: Task Team Capacity Building

New TT workplan

Hank Hermans, on behalf of
Saleh Alkafri

7 September 2022

Main goal

To develop and examine the best ways to reduce the gap towards ensuring that **there is no one behind**

More specific

The task team aims to integrate their related efforts in conducting assessments, developing guidelines or training materials in addition to the international agencies' efforts in development and implementation of sound methodologies and good practices in national statistical offices for the establishment, maintenance and improvement of the SBR.

Done so far

In close collaboration with TT EBR

- Strategic view on statistical business registers
- Statistical Business Registers Maturity Model
  - Global consultation
- Country presentations
- Guidance / discussion on development global group register
- Discussions on global unique identifier

Future areas of work (based on poll):

Topic 1 – Finalizing Manual on the Maturity Model and toolkit

**Topic 2 –** Conducting global assessment on maturity model

Topic 3 – Contribute to work on joint UNSD-OECD global register

Topic 6 – Integration of the SBR and the trade register

Topic 5 – Contribute to global initiative on unique identifiers for businesses

Topic 8 – Guidance on incorporating geospatial information in the SBR
