Subject: **Principles Governing International Statistical Activities**

Dear Mr. Cheung,

I would like to take this opportunity to endorse the **Principles Governing International Statistical Activities** and to express my professional commitment, in my capacity as the Coordinator of statistical activities of the ITU's Market, Economics and Finance Unit, to apply these principles and practices in the statistical work of the ITU, in accordance with the current ITU Rules and Regulations and other administrative issuances.

Yours Sincerely,

Ms. Esperanza Magpantay  
Statistician
