

UNITED NATIONS
Office on Drugs and Crime

8 December 2005

Dear Mr. Cheung,

The United Nations Office on Drugs and Crime fully supports the Principles Governing International Statistical Activities as endorsed by the Committee for the Coordination of Statistical Activities. As Chief of the Research and Analysis Section of UNODC, I am fully committed to implement the principles and practices governing statistical activities, within the current UNODC rules and regulations.

Yours sincerely,

Thibault le Pichon
