

Mapping of IFC with the Classification of Statistical Activities

UNSD, 18 October 2023

Members in the International Family of Classifications	UNCEIS2 UNCEISC 2022 - CSA 2 Title	UNSD 2023 - CS/ UNSD 2023 - CS/ UNSD Comment
Anatomic Therapeutic Chemical Classification System with Defined Daily Doses (ATC/DDD)	105 Health	
Application of the International Classification of Diseases to Dentistry and Stomatology (IC)	105 Health	
Application of the International Classification of Diseases to Neurology (ICD-NA)	105 Health	
ASFIS List of Species for Fishery Statistics Purposes (ASFIS)	20301 Agriculture, forestry and fishing	
Assistive products for persons with disability - Classification and terminology (ISO 9999:20)	105 Health	
Breeds List	20301 Agriculture, forestry and fishing	
Categories of main source of drinking water	108 Human settlements and housing	
Central Product Classification (CPC) Version 2.1	202 Business statistics	UNSD suggests to keep CPC and ISIC under domain 2 "Economic statistics" and not under 202 "Business Statistics", since they are the basis for all economic statistics. This classification should also be mapped to CSA Rev. 2.0 category 20105 "system of environmental-economic
Classes of natural input	301 Environmental conditions and quality	20105 System of Environmental-Economic Accounting This classification is about the international trade.
Classification by Broad Economic Categories (BEC) Revision 5	202 Business statistics	204 International trade
Classification of balancing items	20101 System of National Accounts	
Classification of buildings according to the state of repair	108 Human settlements and housing	
Classification of buildings by type	108 Human settlements and housing	
Classification of categories of sources and sinks of greenhouse gas emissions and removal:	301 Environmental conditions and quality	
Classification of disease/condition by Global Burden of Disease (GBD) category	105 Health	
Classification of ecosystems used in TEEB	301 Environmental conditions and quality	
Classification of environmental assets	301 Environmental conditions and quality	20105 System of Environmental-Economic Accounting
Classification of Environmental Protection Activities 2000 (CEPA 2000)	301 Environmental conditions and quality	20105 System of Environmental-Economic Accounting
Classification of Factors of Health Care Provision (ICHA-FP)	105 Health	
Classification of Forest Products	20301 Agriculture, forestry and fishing	
Classification of gross fixed capital formation in health systems by type of asset	105 Health	
Classification of Health Care Financing Schemes (ICHA-HF)	105 Health	
Classification of Health Care Functions (ICHA-HC)	105 Health	
Classification of Health Care Providers (ICHA-HP)	105 Health	
Classification of households by tenure	108 Human settlements and housing	
Classification of housing unit by toilet facilities	108 Human settlements and housing	
Classification of housing unit by water supply system	108 Human settlements and housing	
Classification of housing units by availability and type of bathing facilities	108 Human settlements and housing	
Classification of housing units by availability of a kitchen or other space reserved for cooking	108 Human settlements and housing	
Classification of housing units by type of ownership	108 Human settlements and housing	
Classification of housing units by type of solid waste disposal	108 Human settlements and housing	
Classification of Inbound Travellers	20305 Tourism	
Classification of Individual Consumption According to Purpose (COICOP)	106 Income and consumption	COICOP has three applicable codes under CSA 2: 106, 20101, and 205.
Classification of Individual Consumption According to Purpose (COICOP)	20101 System of National Accounts	COICOP has three applicable codes under CSA 2: 106, 20101, and 205.
Classification of Individual Consumption According to Purpose (COICOP)	20102 Balance of payments and international investment	205 Prices COICOP has three applicable codes under CSA 2: 106, 20101, and 205.
Classification of inland water bodies	301 Environmental conditions and quality	20105 System of Environmental-Economic Accounting
Classification of institutional units for R&D purposes (Frascati Institutional Sectors)	206 Science, technology, innovation	
Classification of land use (LU) for the agricultural census	20301 Agriculture, forestry and fishing	
Classification of livestock for the agricultural census	20301 Agriculture, forestry and fishing	
Classification of living quarters	108 Human settlements and housing	
Classification of machinery and equipment for the agricultural census	20301 Agriculture, forestry and fishing	
Classification of occupancy status for conventional dwellings	108 Human settlements and housing	
Classification of occupational injuries	105 Health	
Classification of Resource Management Activities 2008 (CReMA 2008)	302 Environmental resources and their use	CReMA has two applicable codes under CSA 2: 302 and 20105.
Classification of Resource Management Activities 2008 (CReMA 2008)		20105 System of Environmental-Economic Accounting CReMA has two applicable codes under CSA 2: 302 and 20105.
Classification of Resource Use and Management Activities and expenditure (CRUMA)	302 Environmental resources and their use	CRUMA has two applicable codes under CSA 2: 302 and 20105.
Classification of Resource Use and Management Activities and expenditure (CRUMA)		20105 System of Environmental-Economic Accounting CRUMA has two applicable codes under CSA 2: 302 and 20105.
Classification of Revenues of Health Care Financing Schemes (ICHA-FS)	105 Health	
Classification of taxes on production and on imports	20101 System of National Accounts	This classification has more than one applicable CSA codes.
Classification of taxes on production and on imports	20103 Government finance statistics	This classification has more than one applicable CSA codes.
Classification of the Functions of Government (COFOG)	20101 System of National Accounts	This classification has more than one applicable CSA codes.

Classification of the Functions of Government (COFOG)	20103	Government finance statistics	This classification has more than one applicable CSA codes.	
Classification of the Outlays of Producers According to Purpose (COPP)	20101	System of National Accounts		
Classification of the Purposes of Non-Profit Institutions Serving Households (COPNI)	20101	System of National Accounts		
Classification of tourism trips according to the main purpose	20305	Tourism		
Classification of transactions used in a health-IEA	105	Health		
Classification of Types of Constructions (CC)	20303	Mining, manufacturing and construction		
Classification of use of housing unit	108	Human settlements and housing		
Classifications of beneficiaries	105	Health		
Classifications of Energy Industries	20302	Energy		
Codes for the representation of names of languages (ISO 629)	109	Culture		
Coding System for Balance of Payments and International Investment Position (CSBPIIP)	20102	Balance of payments and international investment position		
Common International Classification of Ecosystem Services (CICES) Version 4.3	301	Environmental conditions and quality		Question to UNCEISC: shall this classification remain in the IFC?
CPC expanded for agricultural statistics	20301	Agriculture, forestry and fishing		
CRS (Creditor Reporting System) Purpose Codes	20102	Balance of payments and international investment position		
ECE Standard Statistical Classification of Ambient Air Quality	301	Environmental conditions and quality		
ECE Standard Statistical Classification of Flora, Fauna and Biotopes	301	Environmental conditions and quality		
ECE Standard Statistical Classification of Freshwater Quality for the Maintenance of Aquat	301	Environmental conditions and quality		
ECE Standard Statistical Classification of Marine Water Quality	301	Environmental conditions and quality		
ECE Standard Statistical Classification of Wastes	301	Environmental conditions and quality		
ECE Standard Statistical Classification of Water	301	Environmental conditions and quality		
Ecosystem reporting categories	303	Residuals	Question to UNCEISC: shall this classification be removed from the IFC?	
ESSPROS Classification by Function of Social Protection	107	Social protection		
ESSPROS General Classification of Social Benefits by Type	107	Social protection		
European Waste Classification for Statistics (EWC-Stat) Version 4 (2010)	301	Environmental conditions and quality		
Extended Balance of Payments Services Classification 2010 (EBOPS 2010)	20102	Balance of payments and international investment position	This classification has more	
Extended Balance of Payments Services Classification 2010 (EBOPS 2010)	204	International Trade		
Family status classification	101	Population	This classification has more	
FAO Major Fishing Areas	20301	Agriculture, forestry and fishing		
Fields of Research and Development classification (FORD)	206	Science, technology, innovation		
Global Forest Resources Assessment Categories (FRA)	20301	Agriculture, forestry and fishing		
Government Finance Statistics - Classification of Debt Liabilities and Financial Assets Corre	20103	Government finance statistics		
Government Finance Statistics - Classification of Expenditure by Functions of Government	20103	Government finance statistics		
Government Finance Statistics - Classification of Expense (GFS table A8.2)	20103	Government finance statistics		
Government Finance Statistics - Classification of Flows and Stock Positions in Assets and Li	20103	Government finance statistics		
Government Finance Statistics - Classification of Revenue (GFS table A8.1)	20103	Government finance statistics		
Government Finance Statistics - Classifications of the Counterparty of Transactions and Sta	20103	Government finance statistics		
Harmonized Commodity Description and Coding System 2012 (HS 2012)	204	International Trade		
Health Care Products by mode of provision	105	Health		
Household status classification	101	Population		
ICD-10 Classification of Mental and Behavioural Disorders	105	Health		
Indicative Crop Classification for the agricultural census (ICC) Version 1.1	20301	Agriculture, forestry and fishing		
International Classification for Industrial Design under the Locarno Agreement (Locarno Cl	206	Science, technology, innovation		
International Classification for Nursing Practice (ICNP)	105	Health		
International Classification of Activities for Time Use Statistics 2016	110	Time-Use		
International Classification of Crime for Statistical Purposes (ICCS) Version 2	408	Safety and security		
International Classification of Diseases for Oncology (ICD-O-3) 3rd Edition, 1st Revision	105	Health		
International Classification of External Causes of Injury (ICECI)	105	Health		
International Classification of Functioning, Disability and Health (ICF)	105	Health		
International Classification of Goods and Services for the Purposes of the Registration of N	206	Science, technology, innovation		
International Classification of Non-Profit Organisations (ICNPO)	20101	System of National Accounts		
International Classification of Non-Tariff Measures (ICNTM)	204	International Trade		
International Classification of Primary Care (ICPC-2) 2nd Edition	105	Health		
International Classification of Procedures in Medicine (ICPM)	105	Health		
International Classification of Status in Employment 93 (ICSE-93)	103	Labour		
International Classification of the Figurative Elements of Marks (Vienna Classification) 7th	206	Science, technology, innovation		
International Patent Classification (IPC-2016.01) Version 2016	206	Science, technology, innovation		
International Shortlist for Hospital Morbidity Tabulation (ISHMT)	105	Health		
International Standard Classification of Education: Education Programmes 2011 (ISCED-P 2	104	Education		
International Standard Classification of Education: Educational Attainment 2011 (ISCED-A	104	Education		
International Standard Classification of Education: Fields of Education and Training 2013 (I	104	Education		
International Standard Classification of Occupations (ISCO-08)	103	Labour		
International Standard Industrial Classification of All Economic Activities (ISIC) Revision 4	202	Business statistics	UNSD suggests to keep CPC and ISIC under domain 2 "Economic statistics" and not under 202 "Business Statistics", since they are the basis for all economic	
International Standard Statistical Classification for Aquatic Animals and Plants (ISSCAAP)	20301	Agriculture, forestry and fishing		
International Standard Statistical Classification of Fishery Commodities (ISSCFC)	20301	Agriculture, forestry and fishing		
International Standard Statistical Classification of Fishery Vessels - Simplified Classification	20301	Agriculture, forestry and fishing		
International Standard Statistical Classification of Fishery Vessels by GRT Categories (ISSCF	20301	Agriculture, forestry and fishing		
International Standard Statistical Classification of Fishing Gear (ISSCFG) Revision 1	20301	Agriculture, forestry and fishing		
International Standard Statistical Classification of Vessels by Length Classes	20301	Agriculture, forestry and fishing		
International Statistical Classification of Diseases and Related Health Problems 10th Revisi	105	Health		
IUCN Classification of protected areas	301	Environmental conditions and quality		
IUCN Red List Categories Version 3.1	301	Environmental conditions and quality		
Land Cover Classification	301	Environmental conditions and quality		
Land Use Classification	301	Environmental conditions and quality		
List of categories of tourism characteristic activities (tourism industries)	20305	Tourism		
International Standard Industrial Classification of All Economic Activities (ISIC) Revision 4	202	Business statistics	2 Economic statist statistics.	

List of categories of tourism characteristic consumption products	20305	Tourism	
Main categories of energy consumers	20302	Energy	
Mode of Transport Classification for Trade Statistics	204	International Trade	
OECD classification for Micro Statistics on Household Wealth	106	Income and consumption	
OECD Regional Typology	507	Regional and small area statistics	
Priority Assistive Products List (APL)	105	Health	
Protected Area Management Categories	301	Environmental conditions and quality	
Resource Utilization Groups: A classification for nursing home patients, Version 4	105	Health	
			Alternatively, this classification can be mapped to tourism statistics CSA 20305.
Standard classification of modes of transport	20304	Transport	
Standard Country of Area Codes for Statistical Use (M49)	507	Regional and small area statistics	
Standard goods classification for transport statistics (NST-2007)	20304	Transport	
Standard International Energy Product Classification (SIEC)	20302	Energy	
Standard international Trade Classification (SITC) Revision 4	204	International Trade	
Supplementary classification of debt securities by maturity	20306	Banking, insurance, financial market statistics	
Supplementary classification of investment fund shares	20306	Banking, insurance, financial market statistics	
Supplementary classification of loans	20306	Banking, insurance, financial market statistics	
System of National Accounts: Classification of Institutional Sectors (SNA: Classification of I)	20101	System of National Accounts	
System of National Accounts: Classification of transactions (SNA Classifications of transact	20101	System of National Accounts	
System of National Accounts: Entries Related to Stocks of Assets and Liabilities (SNA Stock	20101	System of National Accounts	
System of National Accounts: Other Flows (SNA Other Flows K and B codes)	20101	System of National Accounts	
Taxes according to the nature of the tax	20101	System of National Accounts	
UN List of Industrial Products	20303	Mining, manufacturing and construction	
			This classification has more than one applicable CSA codes.
United Nations Code for Trade and Transport Locations (UN/LOCODE 2015-2) 2015-2	204	International Trade	
			This classification has more than one applicable CSA codes.
United Nations Code for Trade and Transport Locations (UN/LOCODE 2015-2) 2015-2	20304	Transport	
United Nations Framework Classification for Fossil Energy and Mineral Reserves and Resou	20303	Mining, manufacturing and construction
