

Session 9 Implementing the 2030 Agenda for Sustainable Development: the role of migration-related indicators

Group exercises

United Nations Statistics Division

Regional workshop on *Strengthening the collection and use of international migration data in the context of the 2030 Agenda for Sustainable Development*, 31 January-3 February 2017, Bangkok

For discussion

1. How relevant are the proposed migration-related SDG indicators for your countries?
2. Are data (expected to be) available to measure the proposed indicators?
3. Are there any other indicators (from a policy / data availability perspective) for your country?
