

# MAKING EVERY WOMAN AND GIRL COUNT

Activities in Asia and the Pacific

**Sara Duerto Valero, UN Women**

7<sup>th</sup> Global Forum on Gender Statistics,  
Tokyo, Japan, 16 November 2018

## Programme objectives:

1. **Enabling policy environment:** Putting in place an enabling environment for a gender-responsive localization and effective monitoring of national and international policy commitments;
2. **Data production:** Filling gender data gaps by ensuring that quality and comparable gender statistics are produced regularly; and
3. **Data use:** Ensuring that gender statistics are accessible and used to inform policy and advocacy.

- Set of pathfinder countries where we implement full fledged statistical interventions (3 workstreams)
